Jesus Calms the Storm

A story about trusting Jesus even when everything seems out of control.

As Evening Came

That day, after teaching many people beside the lake, Jesus told His disciples, “Let us pass over unto the other side.”

They Got into the Boat

The disciples left the crowd and took Jesus in the boat. Other small boats also went with them.

Jesus Needed to Rest

After such a long day, Jesus lay down in the back of the boat. He rested His head and fell asleep.

The Wind Began to Blow

As they sailed, the sky grew dark and a very strong wind began to blow. The lake, which had been calm, filled with large waves.

The Boat Was Filling with Water

The waves beat against the boat, and water came in again and again. The disciples worked with all their strength to get it out.

The Disciples Were Afraid

Many of them knew the lake well, but this storm was too strong. Although they rowed and held the sails, they could not control it.

Jesus Was Still Sleeping

In the middle of the wind, the waves, and the shouting, Jesus continued sleeping. He trusted completely in His Father's care.

Master, Help Us!

The disciples woke Jesus and said,
"Master, carest thou not that we perish?"
They were sure the boat was going to sink.

Jesus Stood Up

Jesus rose in the middle of the storm. He did not seem afraid. He looked at the wind and the sea with calmness and authority.

Peace, Be Still!

Then He rebuked the wind and said to the sea, “Peace, be still.” At that very moment the wind stopped and the waves became calm.

A Great Calm

The lake became completely calm. The clouds began to open, and the boat once again floated gently on the water.

Why Were You Afraid?

Jesus asked His disciples, “Why are ye so fearful? how is it that ye have no faith?” He wanted them to learn to trust even in difficulty.

Who Is Jesus?

The disciples looked at one another in amazement and said, “What manner of man is this, that even the wind and the sea obey him?” That night they learned that with Jesus near, they were never alone.
