Jesus and Jairus's Daughter

A story of faith, hope, and Jesus' love for every family.

Jesus Returned to the Lakeshore

When Jesus returned to the shore of the lake, a great crowd gathered to welcome Him. Everyone wanted to be near Him and hear His words.

Jairus Sought Jesus

Among the people came Jairus, one of the rulers of the synagogue. When he found Jesus, he fell at His feet with a heart full of concern.

An Urgent Request

Jairus pleaded, “My little daughter lieth at the point of death. Please come to my house and lay thy hands on her, that she may be healed and live.”

Jesus Went with Him

Jesus listened to his request and began to walk with him. A great many people followed them and pressed closely together along the way.

A Pause on the Way

As they went, Jesus stopped to help a woman who had been ill for a long time. Jairus waited, trusting that Jesus had not forgotten his daughter.

Very Sad News

Then some people came from Jairus's house and said that his daughter had died. Jairus felt overwhelming sadness.

Do Not Be Afraid

Jesus heard the news, looked at Jairus tenderly, and said, “Be not afraid, only believe.”

Jairus's House

When they arrived, they found family and friends weeping. Jesus told them that the girl was as though asleep and asked everyone to be calm.

Jesus Entered with the Family

Jesus went into the room with the girl's parents and three of His disciples. Everything became quiet.

Little Girl, Arise

Jesus came near, gently took the girl by the hand, and said, “Talitha cumi,” which means, “Damsel, I say unto thee, arise.”

The Girl Stood Up

At that very moment, the girl opened her eyes, stood up, and began to walk. Her parents looked at her with joy and amazement.

Give Her Something to Eat

Jesus, always attentive and kind, told them to give her something to eat. The house that had been filled with sorrow was now filled with relief and happiness.

A Story of Hope

Jairus learned that he could trust Jesus even in the hardest moments. Jesus understands our pain, hears our prayers, and stays by our side.
