An Important Mission

One day, God gave Jonah an important mission: go to the great city of Nineveh and bring a message that would help many people.

Jonah Goes Away

But Jonah was afraid and decided to go away. He boarded a ship sailing in exactly the opposite direction.

A Great Storm

Suddenly the wind blew fiercely and huge waves shook the ship. All the sailors were very frightened.

Jonah Tells the Truth

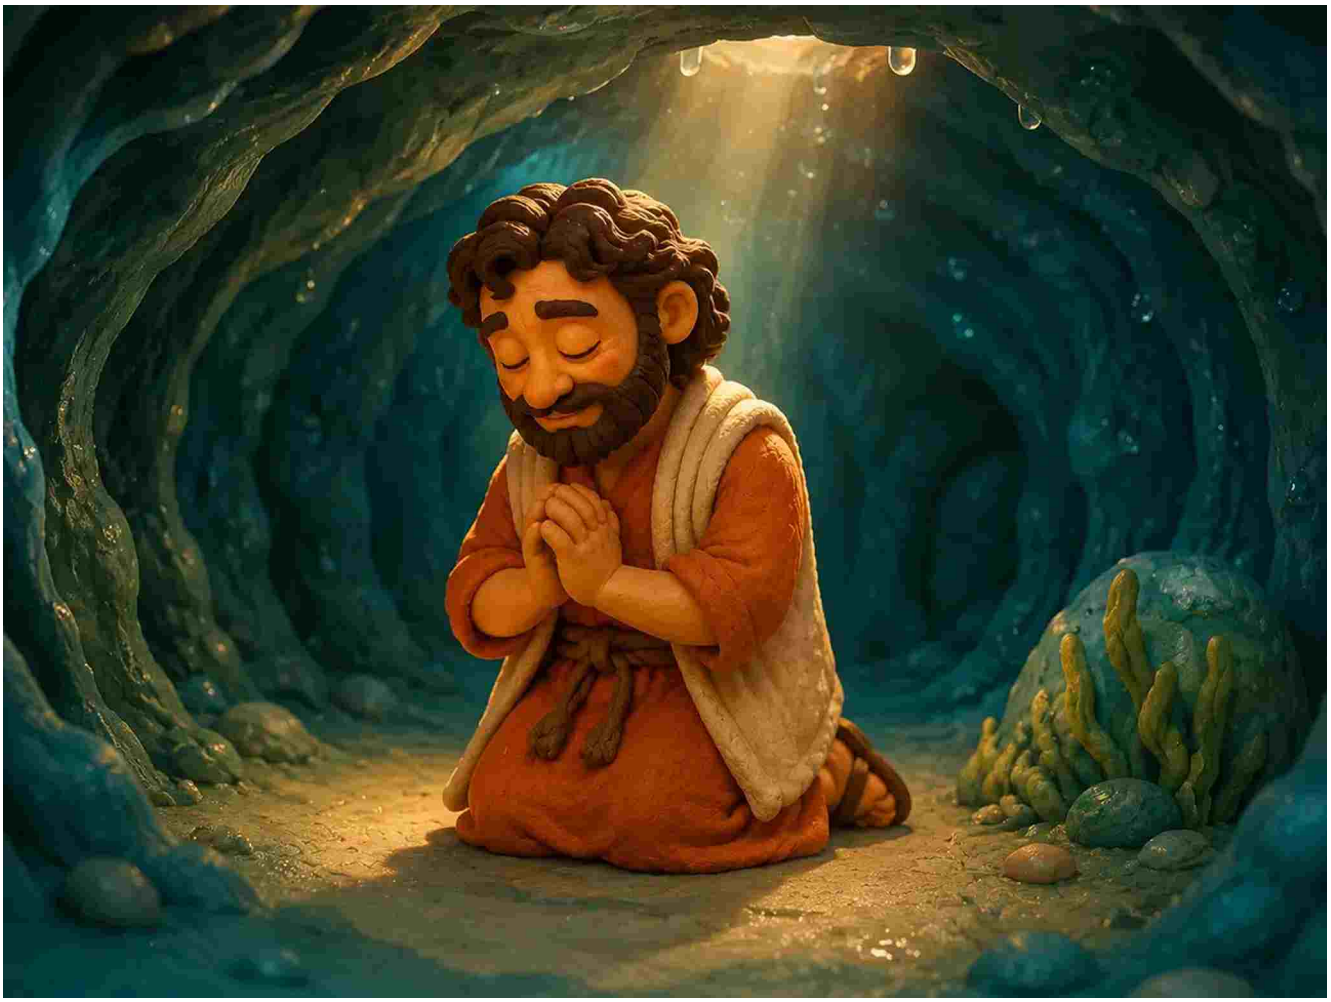
Jonah understood that he had made a bad decision. Very honestly, he told the sailors what he had done.

The Sea Becomes Calm

Jonah fell into the water, and at that very moment the wind stopped. Little by little, the sea became calm again.

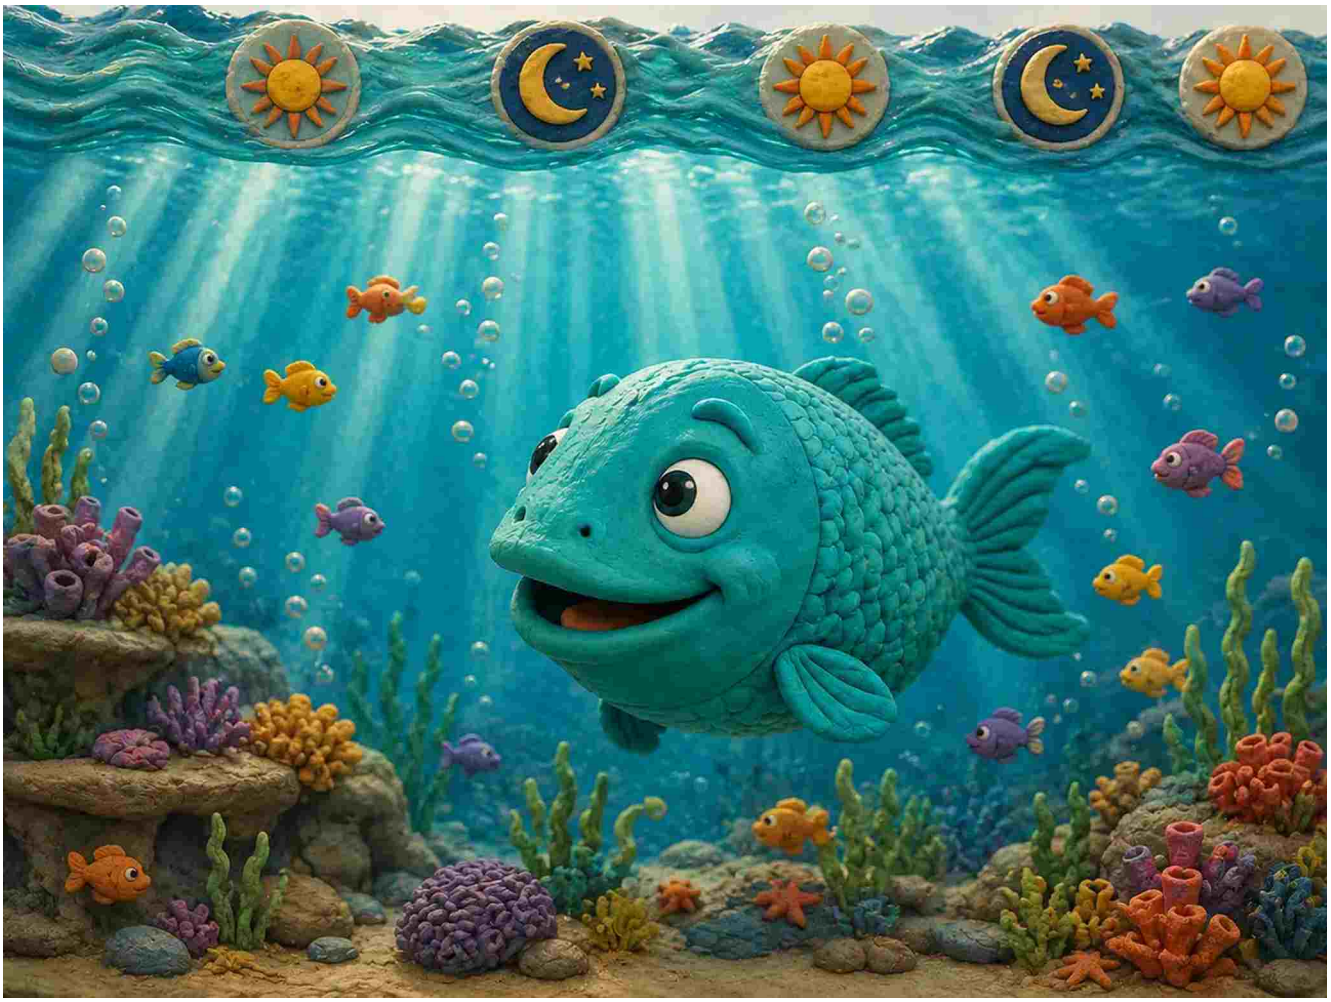
An Unexpected Rescue

Then God sent a great fish to care for Jonah. Gulp! The fish swallowed him without hurting him.



A Prayer in the Darkness

Inside the great fish, everything was dark. There Jonah prayed: Thank You for hearing me. I want to do what is right again. And God heard him.



Three Days of Travel

For three days, the great fish swam through the sea. Jonah had time to think, trust, and learn.

Back on Land!

At last the fish reached the shore and left Jonah safe and sound on the sand. Jonah had a new opportunity!

On the Way to Nineveh

God spoke to Jonah again. This time Jonah listened. He walked to Nineveh and courageously shared God's message.

A City That Changes

The people of Nineveh listened to the message. They admitted their wrongs and decided to change. God was glad to forgive them.

A Lesson of Love

Jonah learned that God's love reaches everyone. He always wants to save, forgive, and give a new opportunity.

God Always Hears

And that is the end of the story.
Remember: when we make mistakes, we can talk with God, begin again, and choose the way of love.
