

# Singing For Jesus

## The Greatest Trip

I am going on a trip, off to heaven I'll go soon,  
Jesus Christ will then come down,  
And His angels will come too.  
Off to heaven we will go, with no luggage bags in tow,  
Seven days will fast go by, as through outer space we fly.

*Chorus:*

On the greatest trip I'll go, go to heaven,  
For eternity I'll live and sing with Jesus.  
A crown of gold He'll give to me,  
I'll play with lions that I see.  
A glorious place, what wondrous thought,  
I'll go to heaven.

Through the golden streets I'll walk,  
With my Savior I will talk,  
There I finally will meet with my guardian angel too.  
Beautiful it all will be, no more death nor pain to see,  
Where forever I can be, with my Savior Jesus Christ.

## Come and Join Me

Come and join me let us sing.  
Come and join me let us praise.  
All together let us worship,  
Come and join me let us sing.

*Chorus:*

Now I'm inviting you,  
And you're inviting them,  
To Jesus let us sing,  
Our praises to the King.

Come and let us hear His word.  
Let us learn and please the King.  
Then His blessings we'll receive,  
Come and join me let us sing.

## God of Heaven

My father is the God of heaven and of planet earth,  
And His power is far beyond what you may have heard.  
There is nothing that He wouldn't do for me,  
His love so great, reaching infinity.

The God of heaven, He came down one day to save me,  
On the cross He died, so He could rescue me.  
But I have good news for you,  
He resurrected, beat the tomb.  
Today my life I give to you, Oh Lord.

*Chorus:*

Hallelujah, He has won.  
Now I praise Him with my song.  
Powerful King of heaven, I invite you to my heart.  
With you forever I will dwell.

## Come Let Me Invite You

Come let me invite you, To the greatest trip of all.  
We know not the hour, it's a mystery to all.  
But this is a journey, one that you can't miss.  
We will take off flying.

*Chorus:*

Prepare yourself, we're leaving.  
All heaven is awaiting our arrival.  
Prepare yourself, He's coming.  
Be faithful to the end. Jesus is coming.  
(Soon He's coming!)

## Jesus is Coming Soon

Jesus is coming soon; He's coming to get me.  
So that up there in heaven I can go live.  
Earthquakes and hungers,  
And wars all around;

These are the signs the King's coming back.  
These are all signs that Jesus will come.  
My God and King, my saving Lord.

Jesus is coming soon; He's coming to get me.  
At the sound of the trumpet, He'll take me home.  
Ready and prepared I need to be found,  
Jesus soon is coming; it won't be long.  
Soon in heaven's mansions I will go live.  
My God and King, my saving Lord.  
My God and King, my saving Lord.

## Ready

Soon yes very soon my Jesus Christ will come.  
When will all this happen? I don't know it yet.  
But the day is soon approaching,  
When the King's coming back.

Ready, ready, ready, all prepared I am,  
From God's word I'm reading, learning all I can,  
With my friends I'm talking, praying,  
Witnessing about God.

*Chorus:*

Jesus, come back very soon,  
Please don't take too very long.  
We're preparing, getting ready, every day.

Come with me, oh come with me, to listen now.  
Jesus won't take long; He'll very soon be here.  
Get prepared for He is coming.  
He's coming for you.

## I Don't Know When It'll be

I don't know when it'll be,  
Oh, that day when Christ I'll see.  
He is coming, He is coming,  
With His angels comes the King.

Hallelujah, Hallelujah, Oh I know He's coming soon,  
Hallelujah, Hallelujah, with His angels He will come.

On the clouds He will come near,  
Every eye shall see him here.

Then the glorious trumpets sound,  
Jesus says we're heaven bound.

Hallelujah, Hallelujah, every eye will see Him come,  
Hallelujah, Hallelujah, to come get me He'll come down.

## When I get there

When I get there, when I get there,  
Oh, when I get there,  
A crown will be upon my head.

*Chorus:*

And while I still am here,  
Gems for the crown I seek,  
Telling the whole wide world, of your saving love,  
And so, when I get there, give you the biggest hug,  
With you forever I will be.

By my Savior's side, by my Savior's side,  
By my Savior's side,  
I'll play my harp and sing a song.

When I get there, when I get there,  
Oh, when I get there,  
A brand-new name will I receive.

## I Want to Go

God's preparing now for me,  
Building me a special home.  
A golden city shining brightly,  
Traveling there I want to go.

I will have a golden crown,  
Where the harps in chorus sound.  
And with my God then I will be,  
Standing by the crystal sea.

I'll play, have fun with the lions and with wolves,  
A baby lamb will leap right by our side,  
I'll have white robes, and wings ready for flight.  
Oh, I can't wait to be there,  
In that home so bright and fair,  
Face to face with Him who cared.
