Ny safo-drano

Fotoana hiditra izao

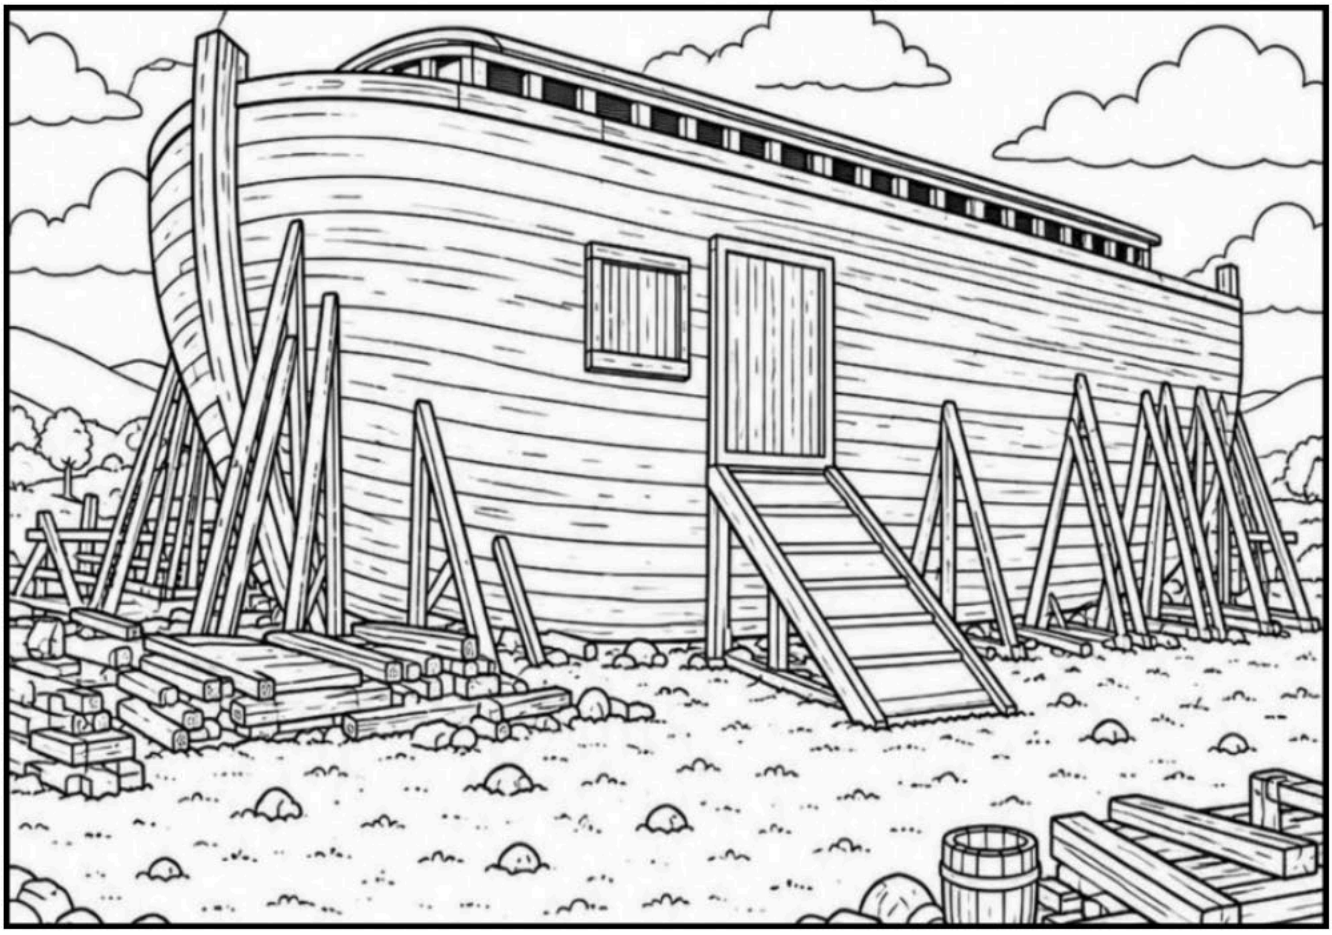

Nanatona ny biby

Vonona ny rehetra

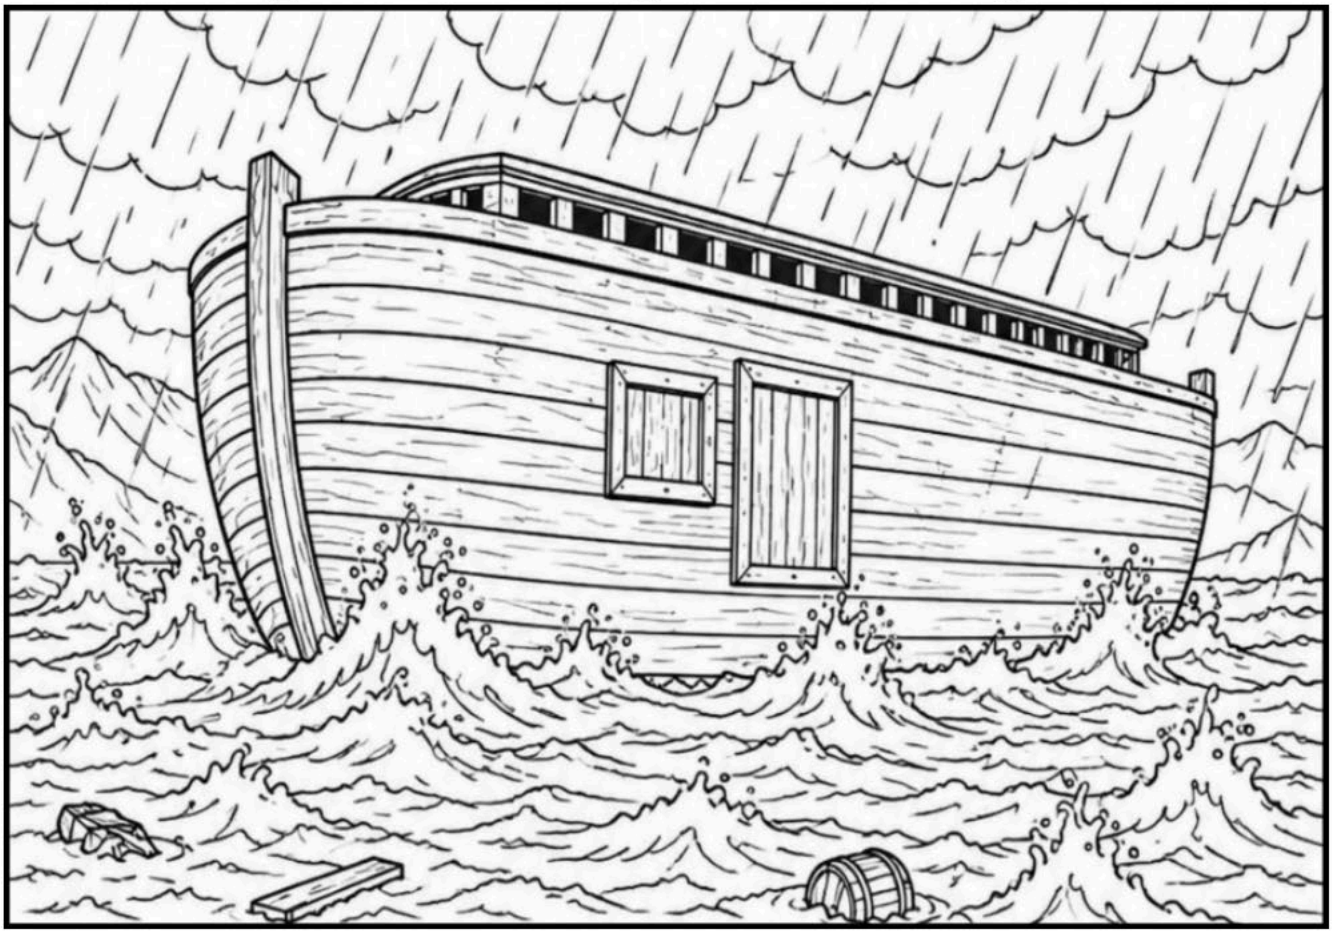

Nakaton'Andriamanitra ny varavarana

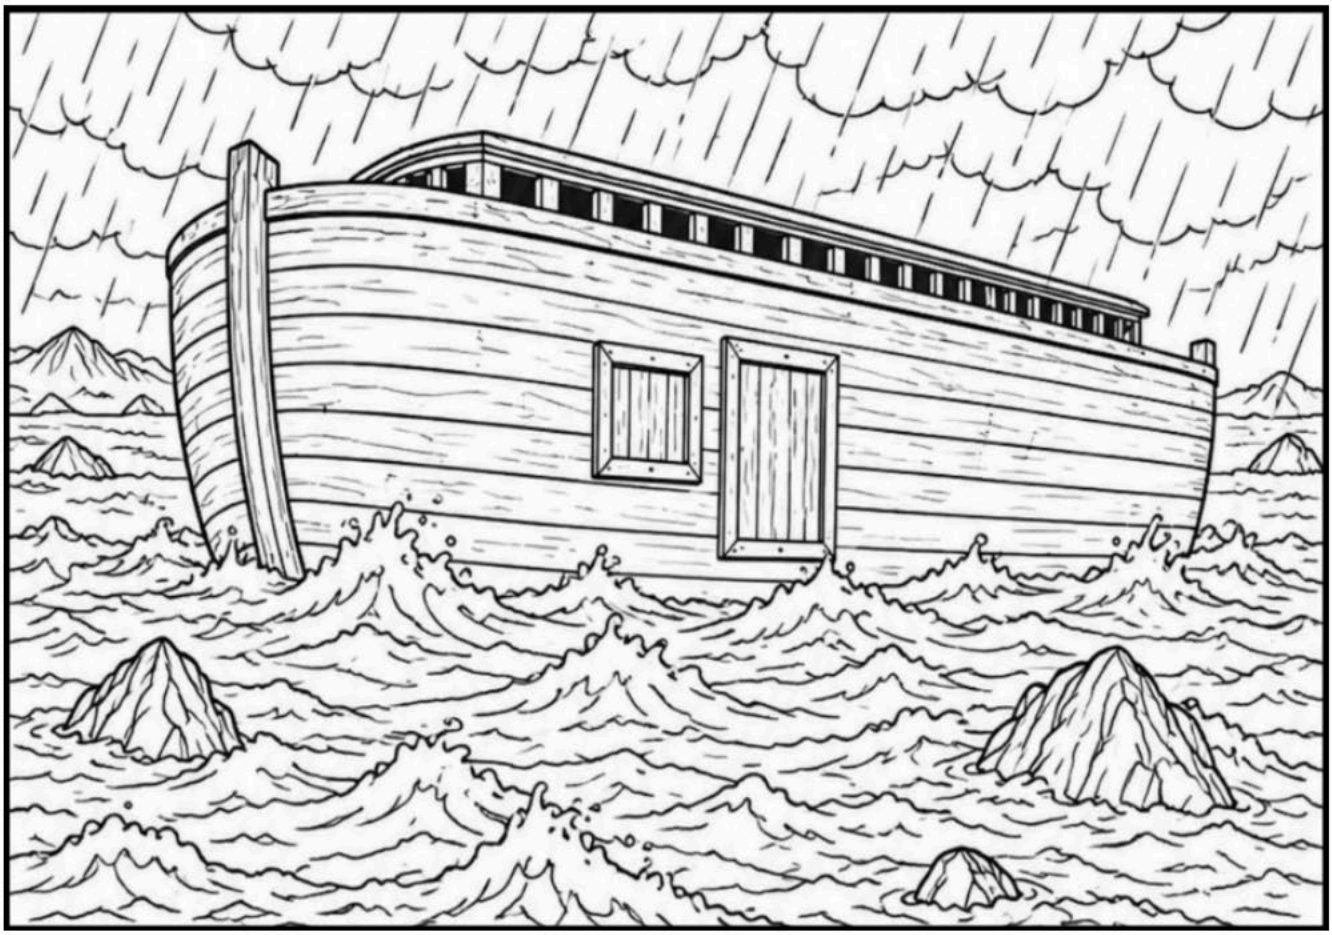

Nanomboka ny orana

Nampiakatra ny sambo ny rano

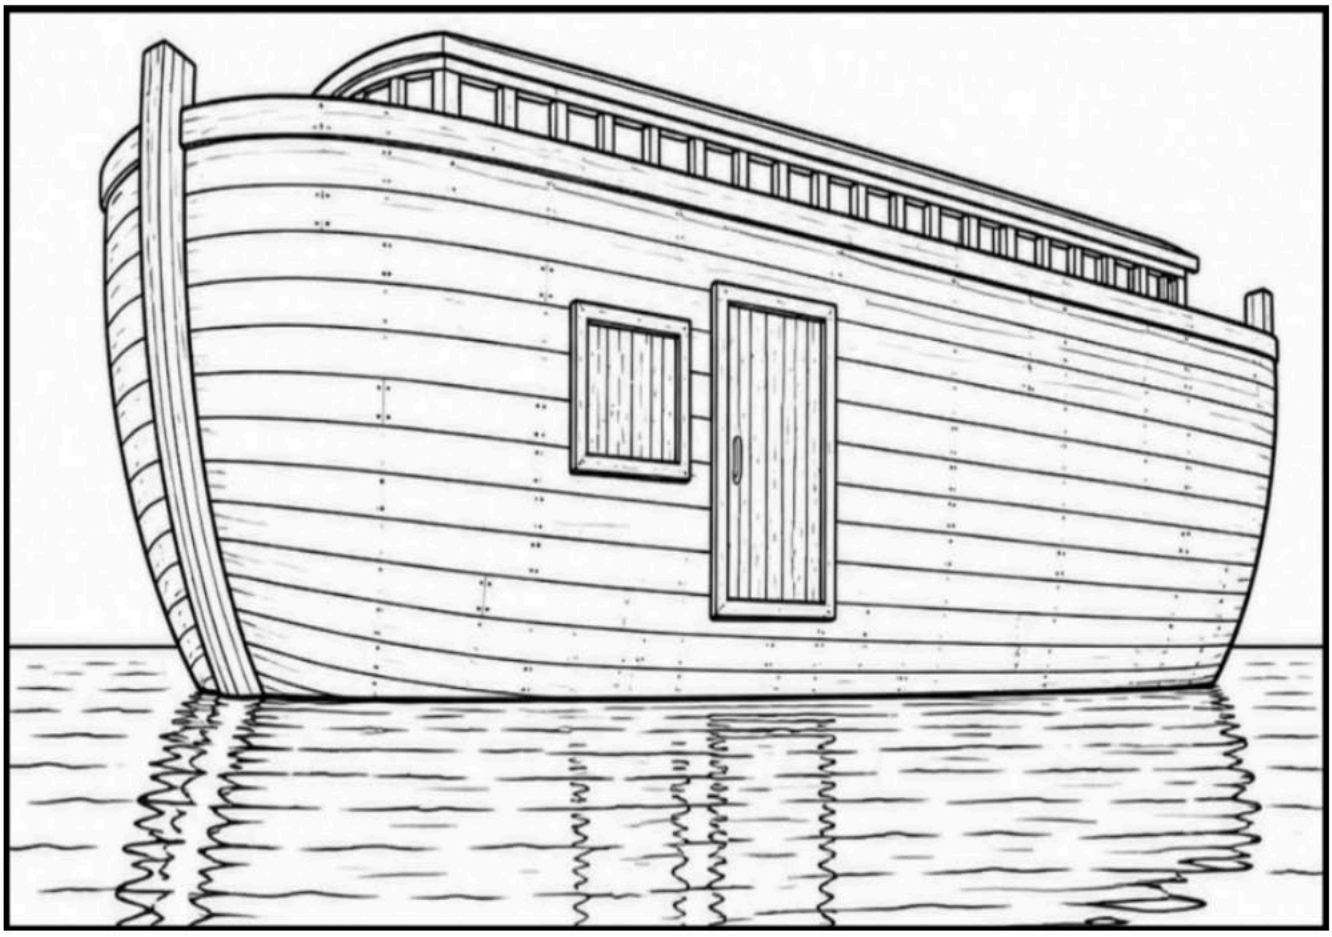

Nitsingevana soa aman-tsara ny sambo

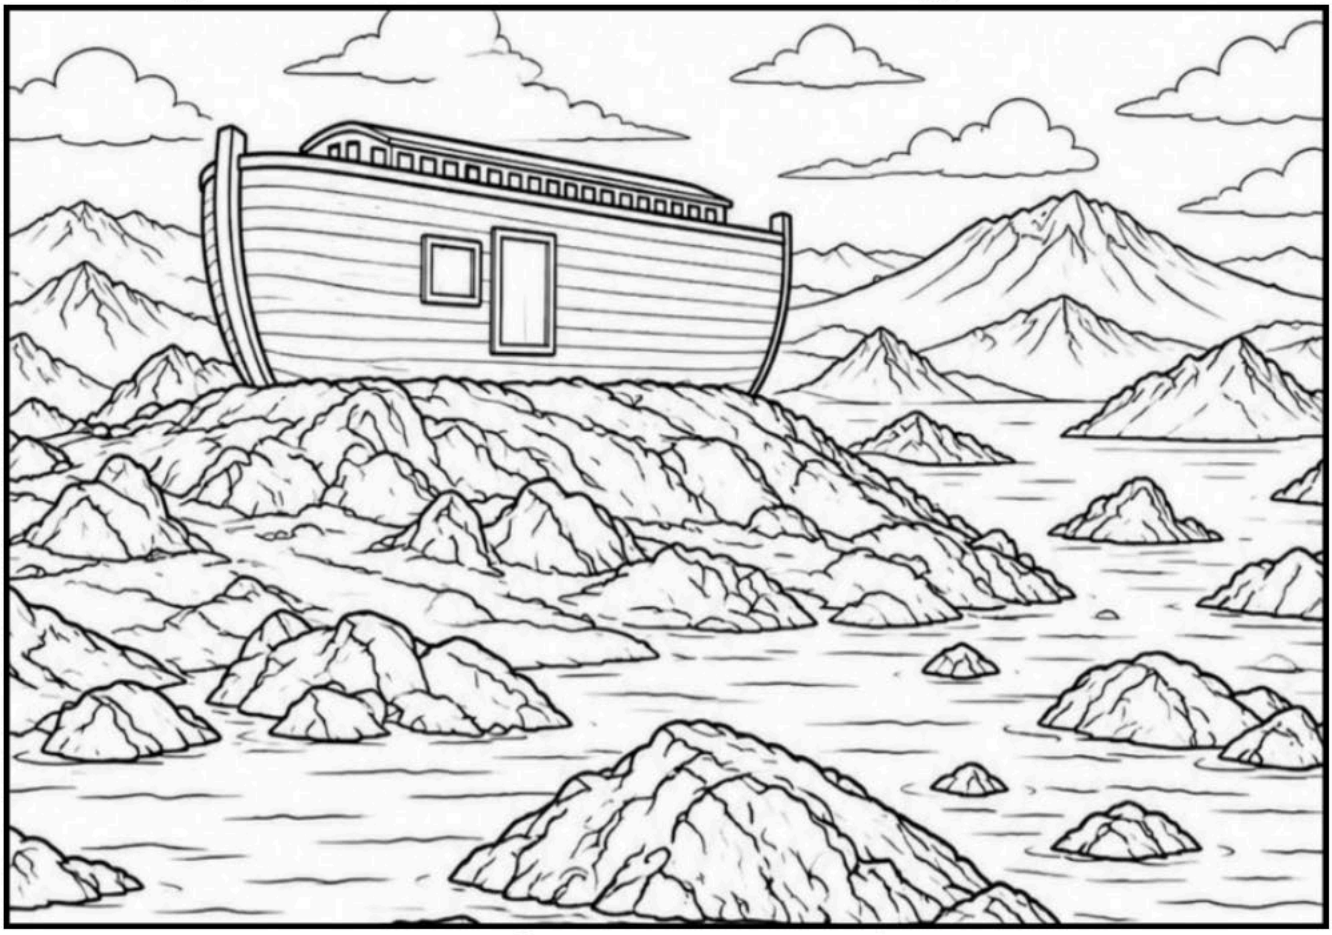

Andro maro tao anaty sambo

Tsaroan'Andriamanitra i Noa

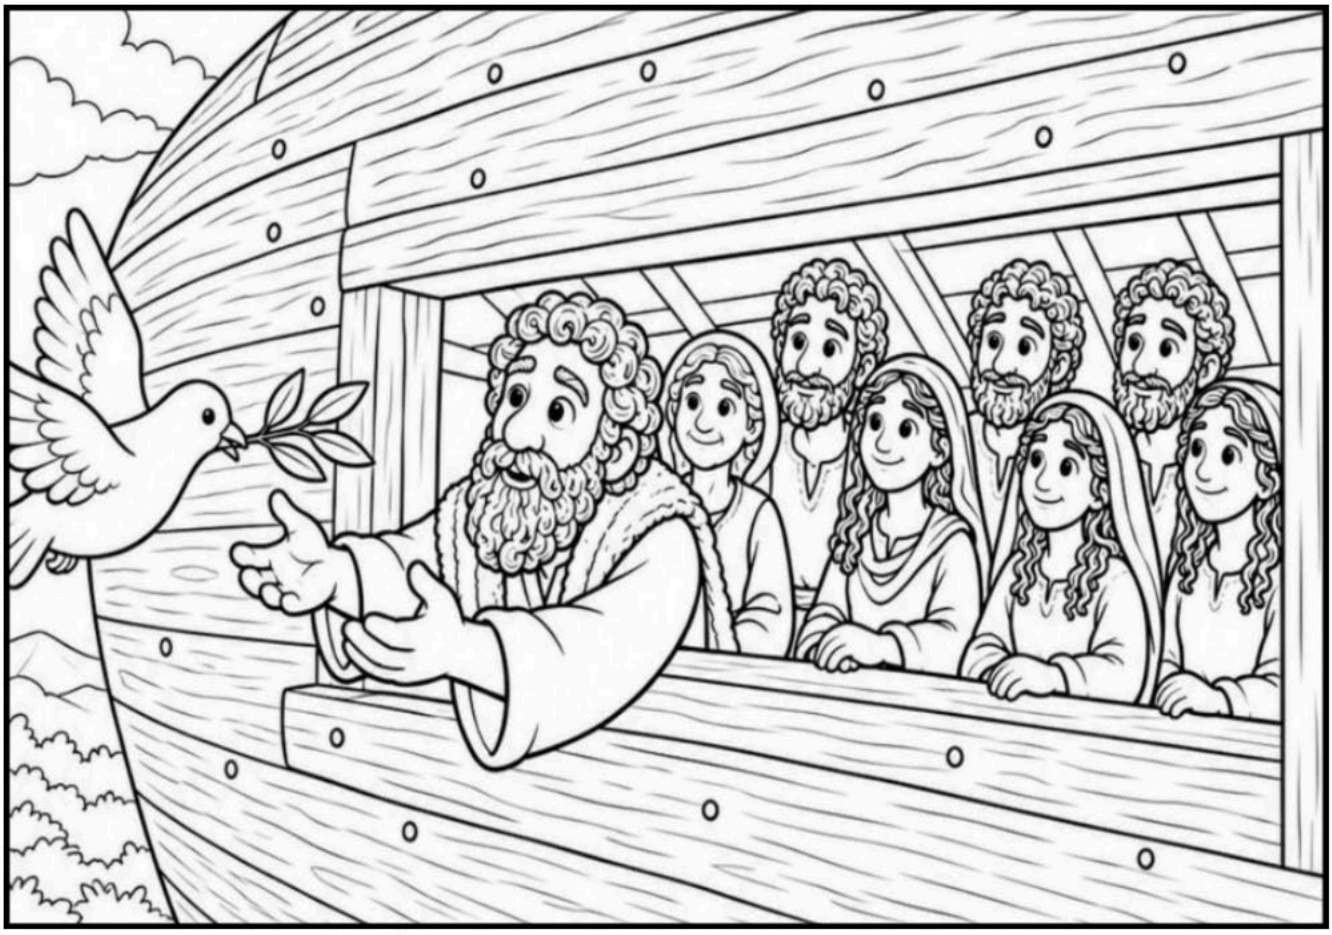

Nijanona teo Ararata ny sambo

Nandefa vorona i Noa

Ravina oliva

Nivoaka ny rehetra
