# O dilúvio

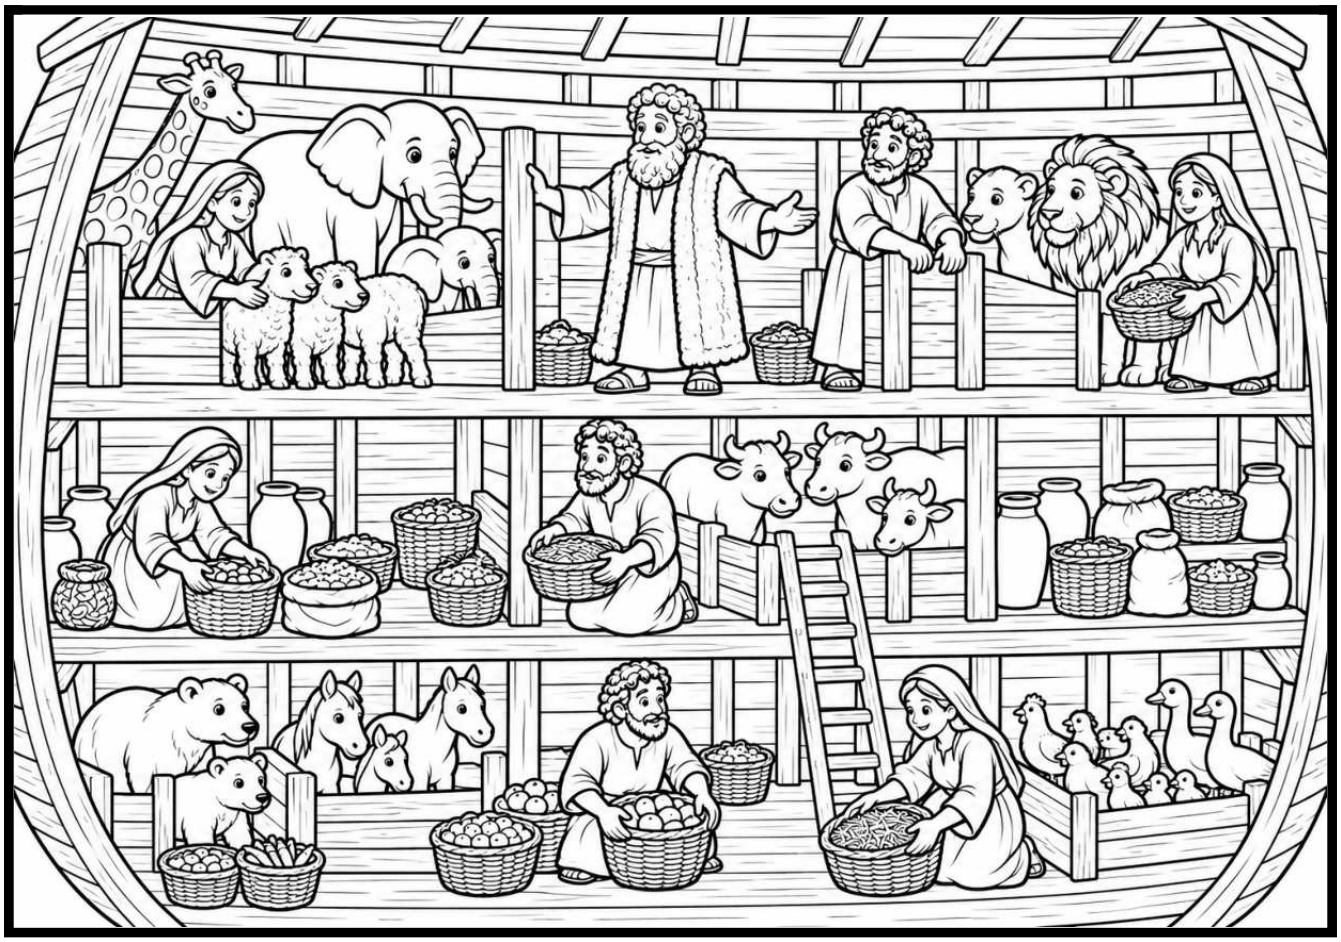

# É hora de entrar

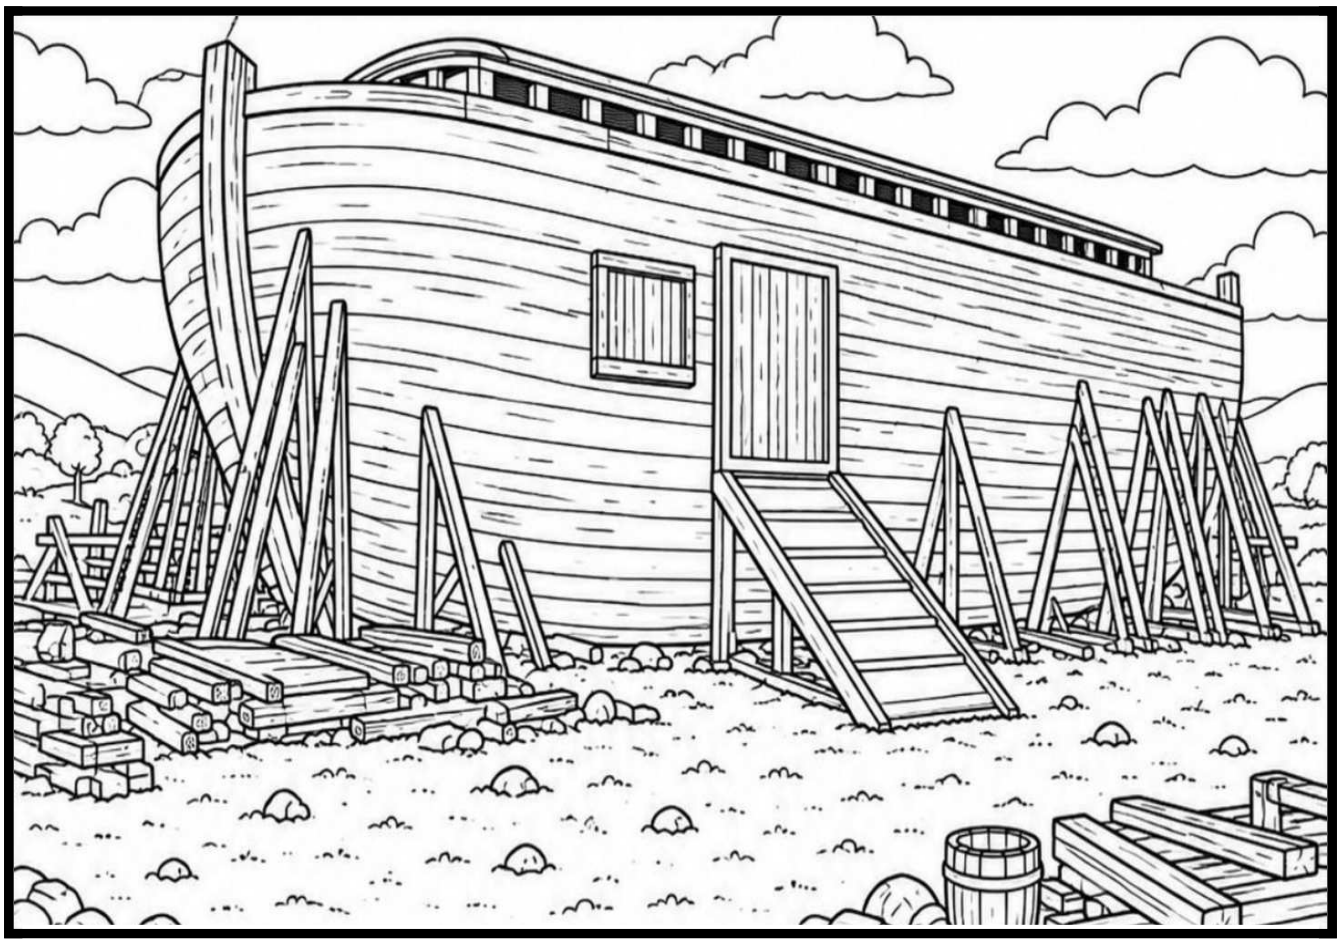

# Os animais se aproximaram

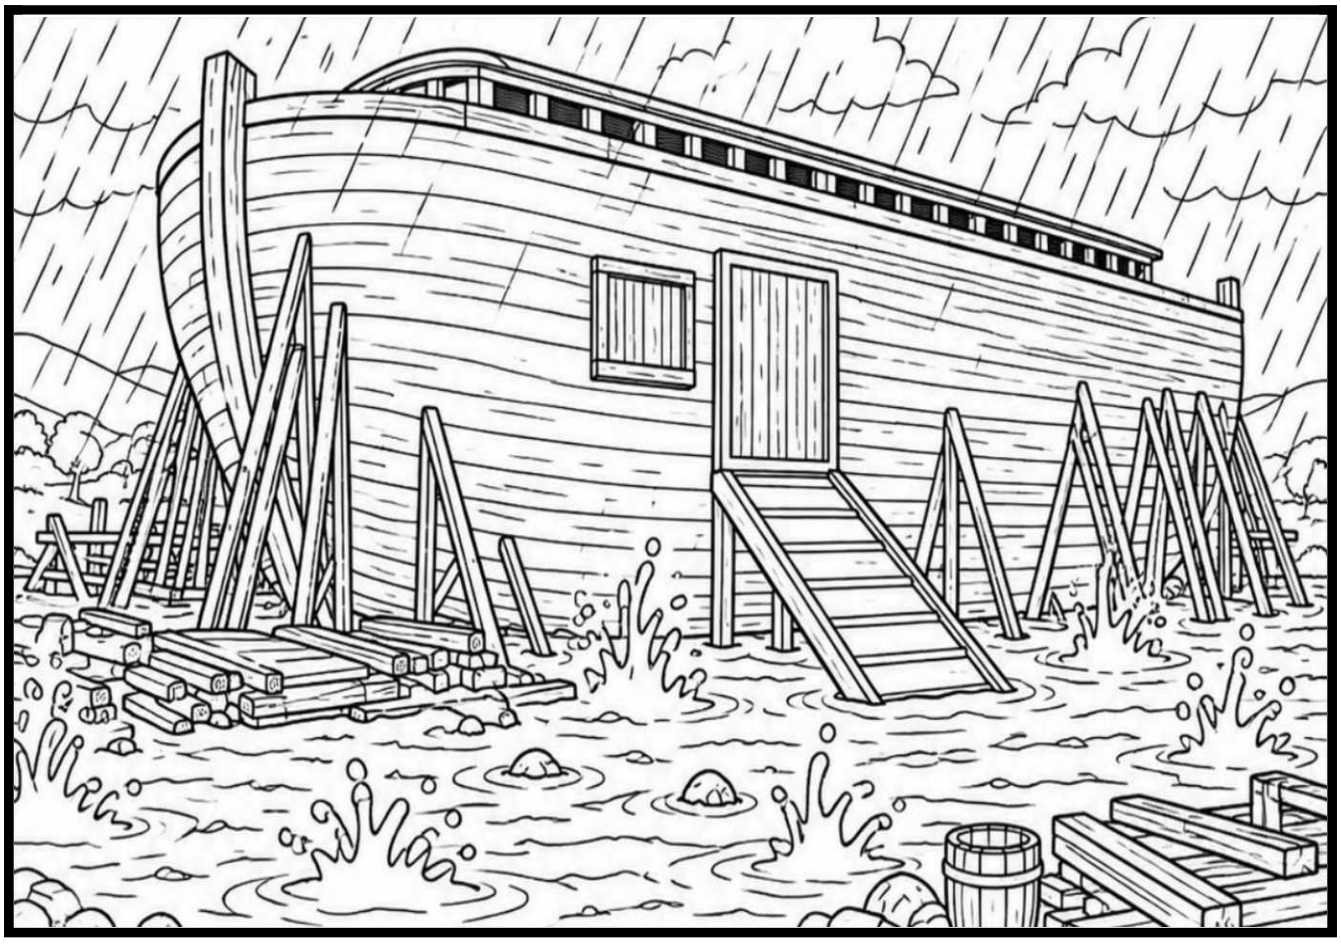

# Todos estavam prontos

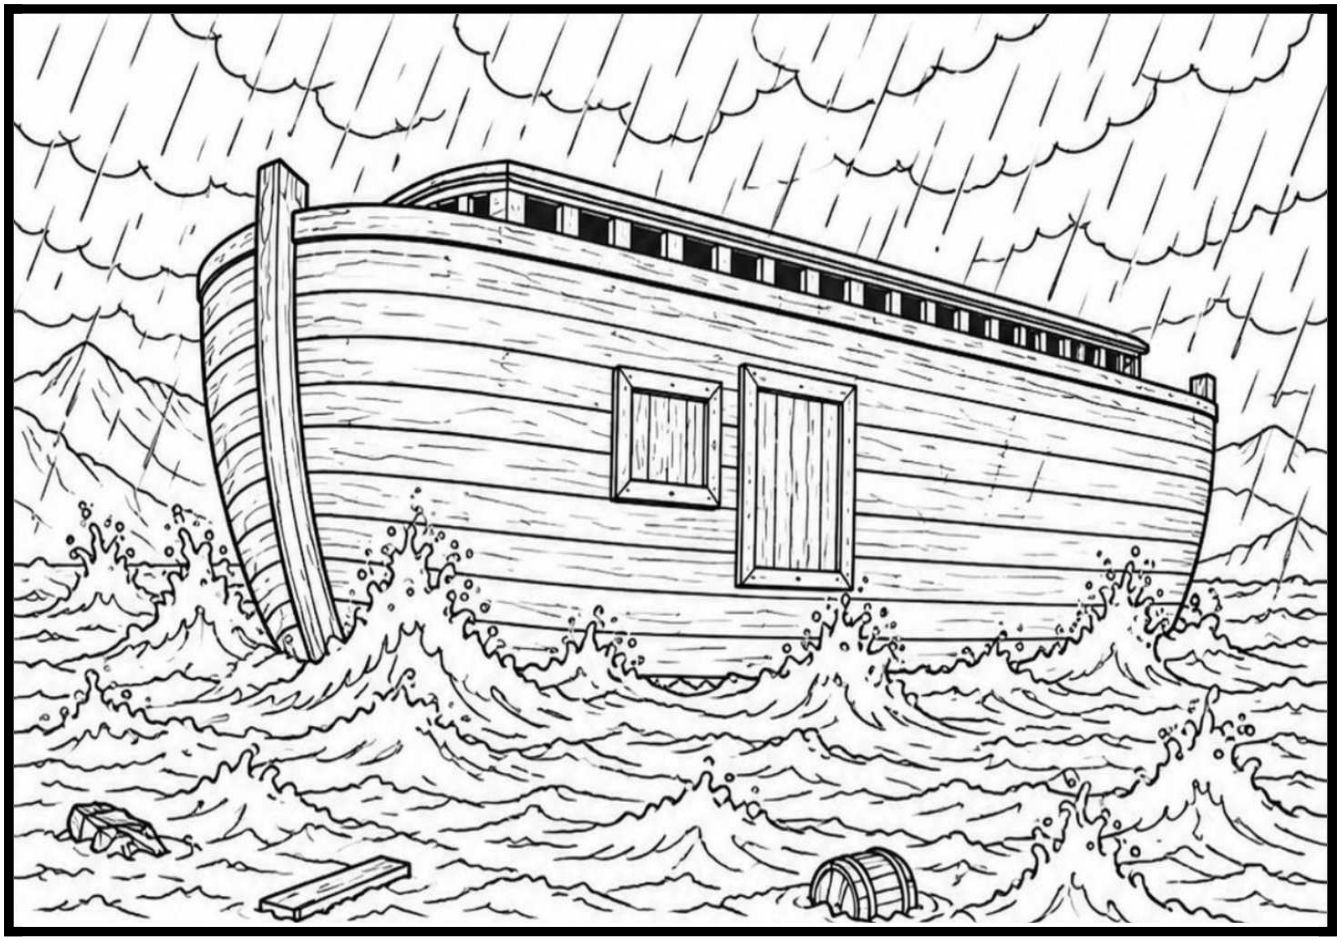

# Deus fechou a porta

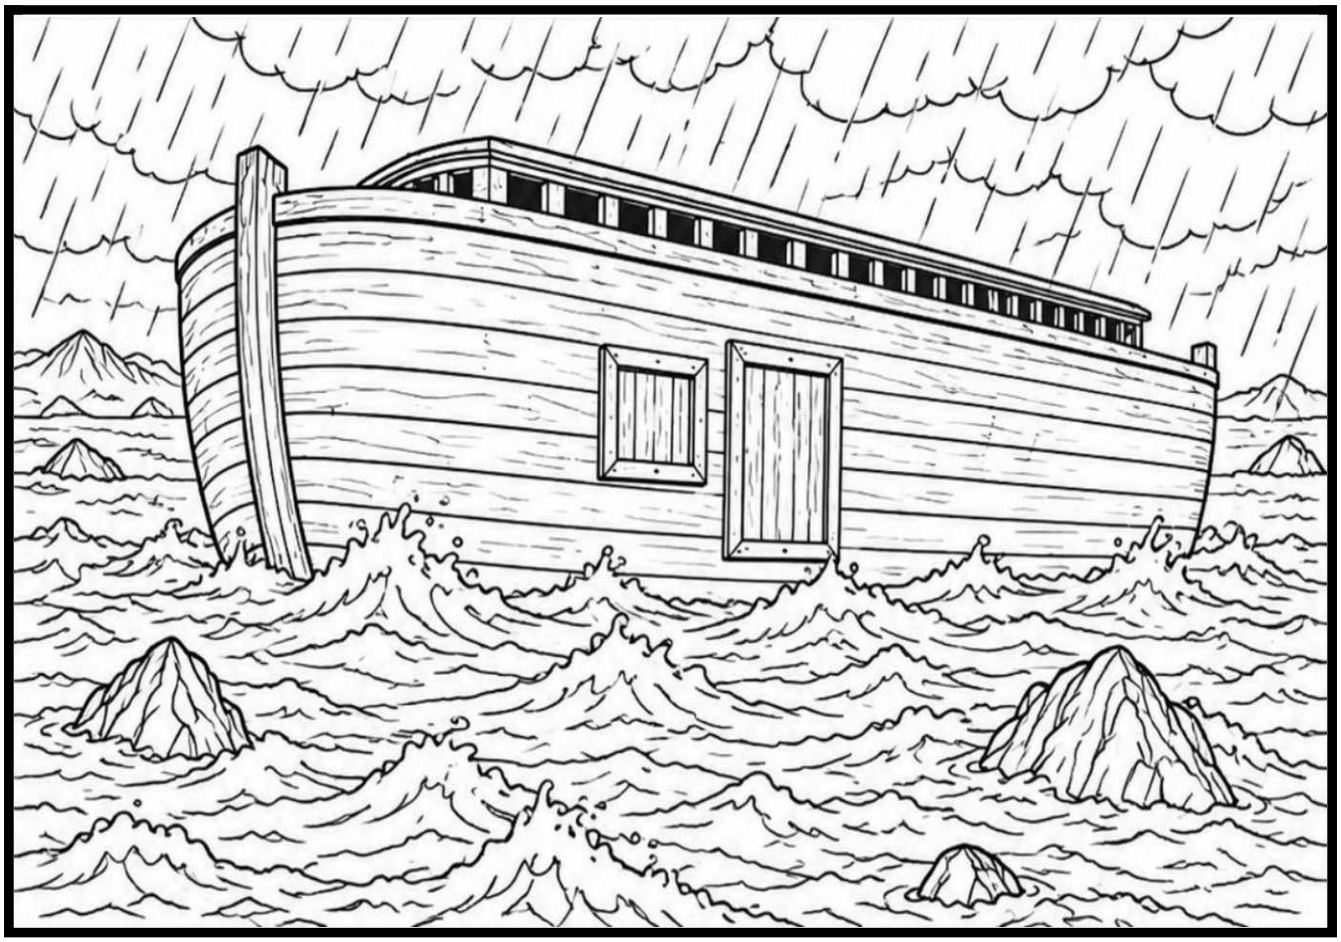

# A chuva começou

# As águas levantaram a arca

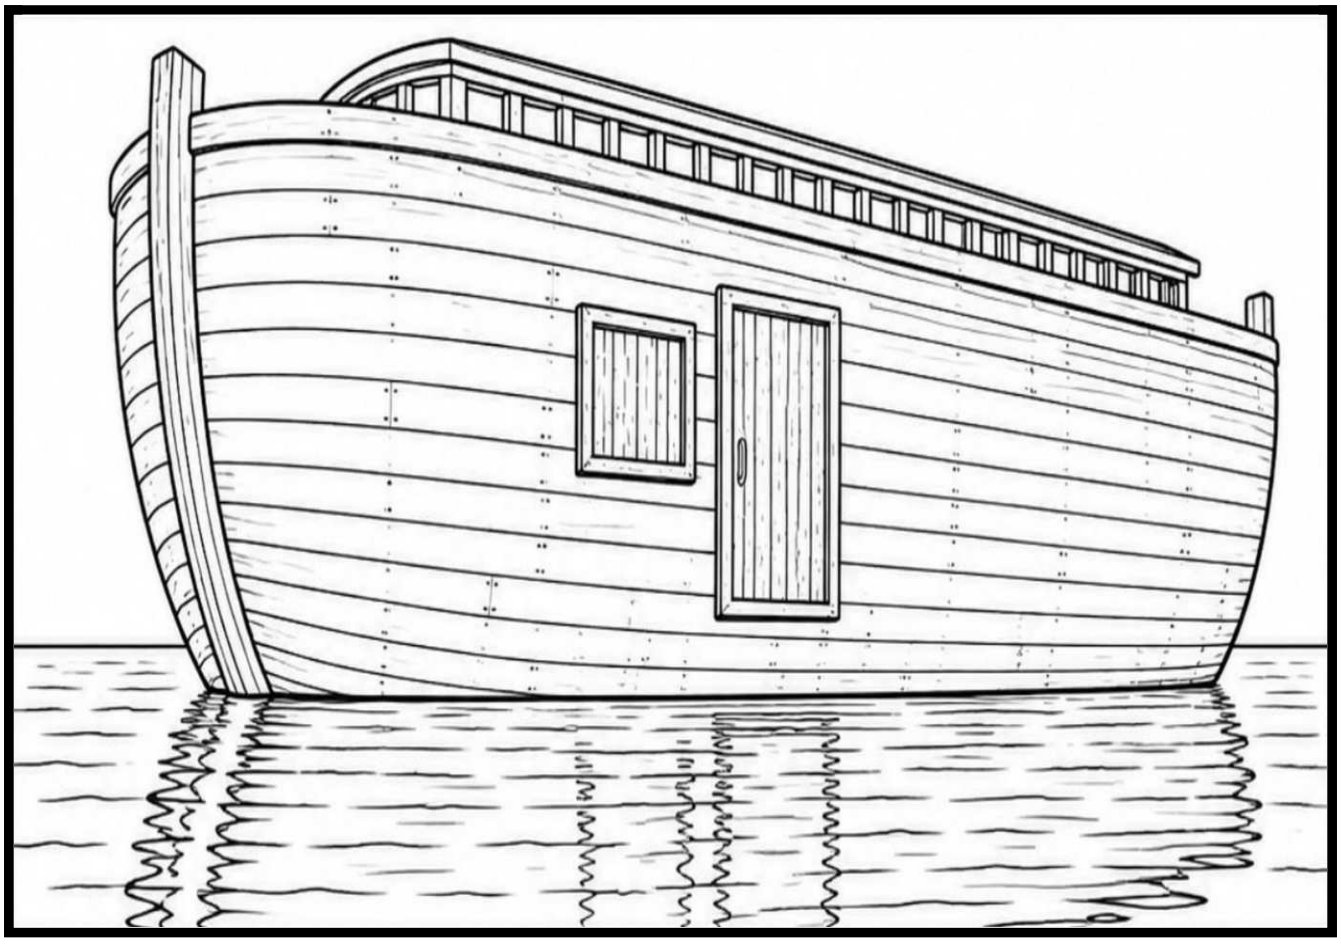

# A arca flutuou em segurança

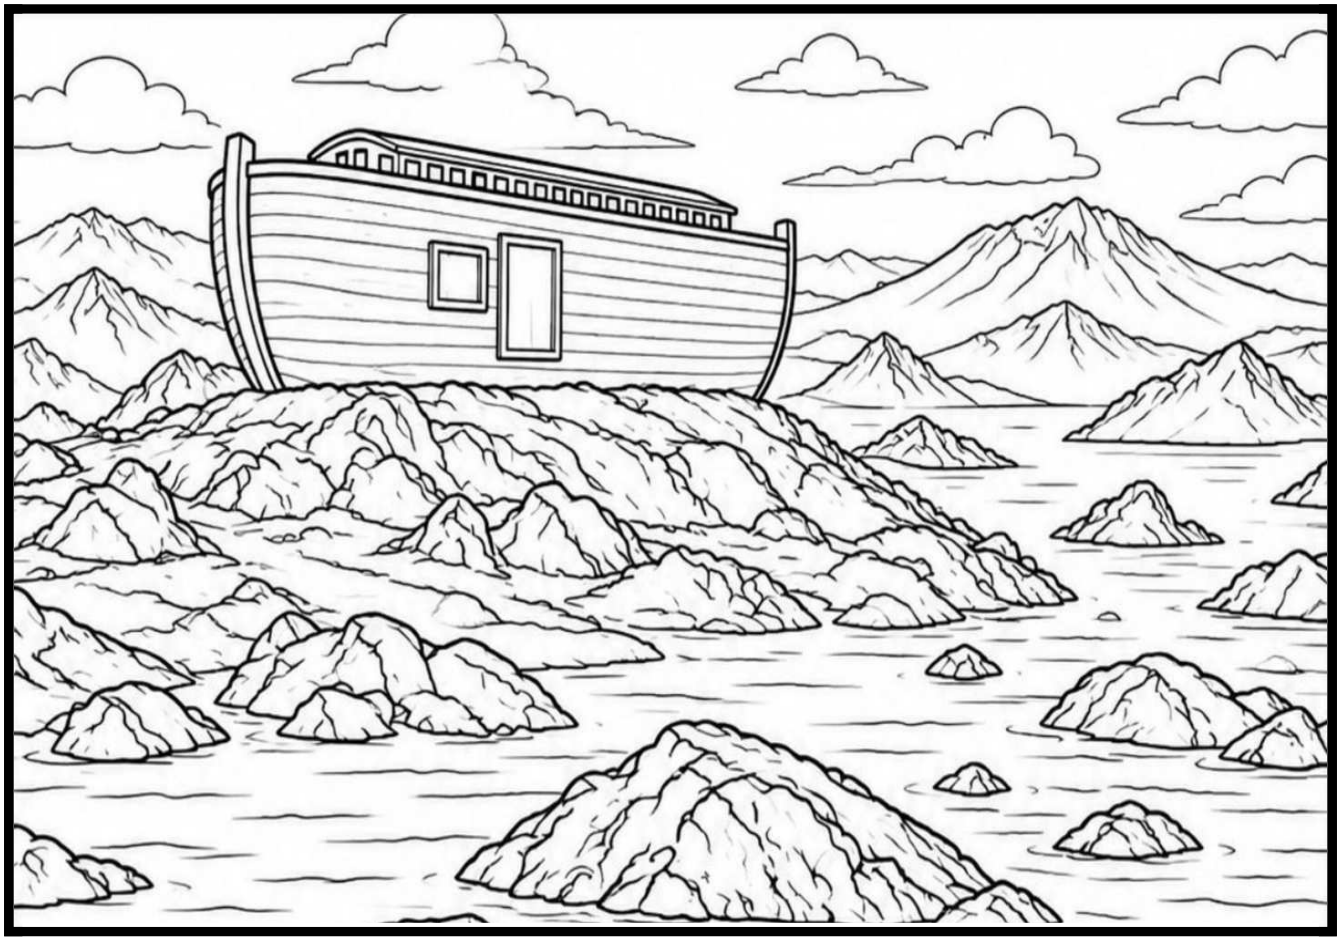

# Muitos dias na arca

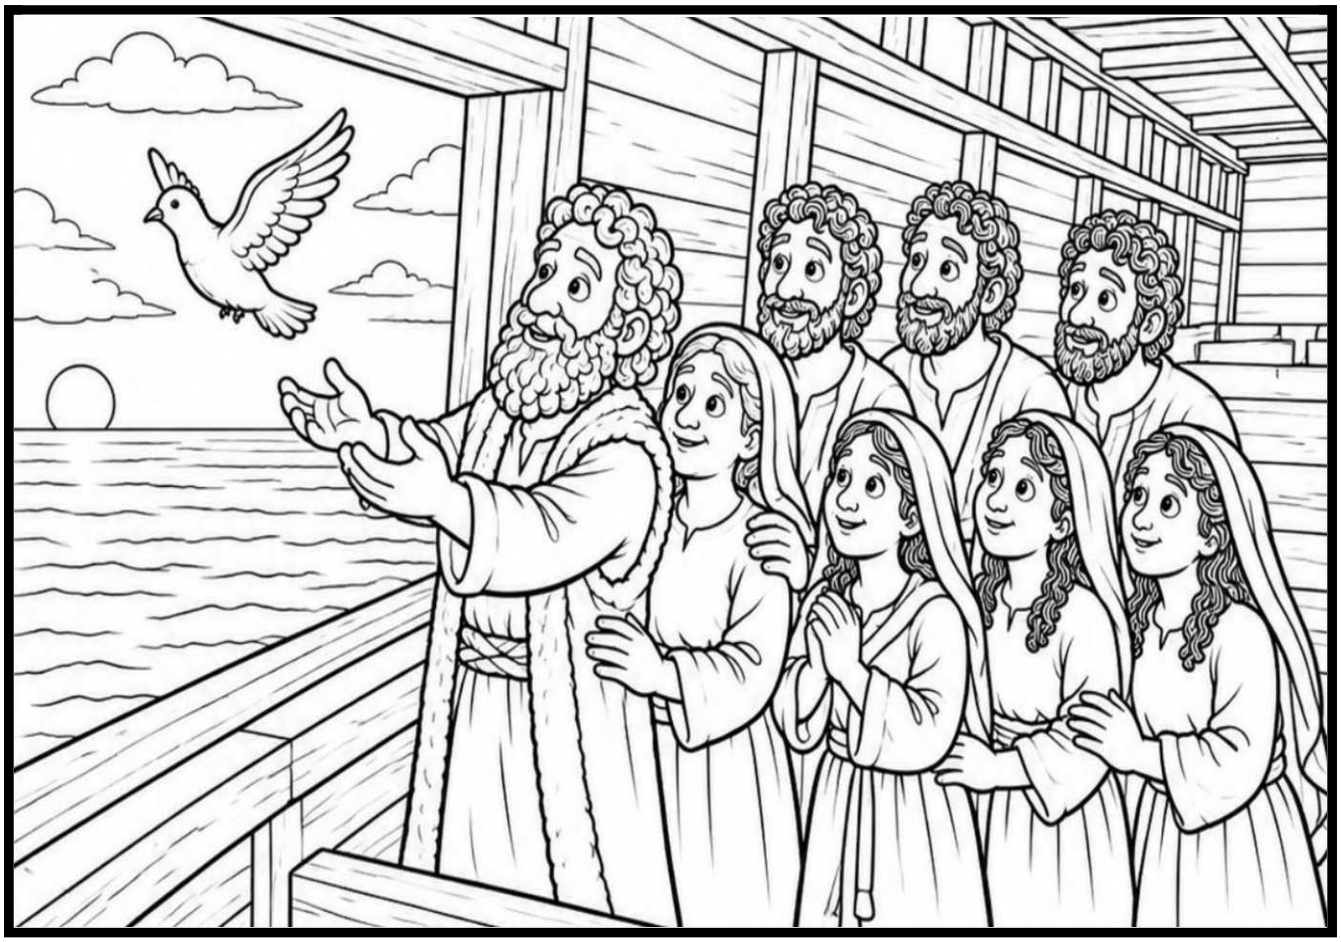

# Deus lembrou-se de Noé

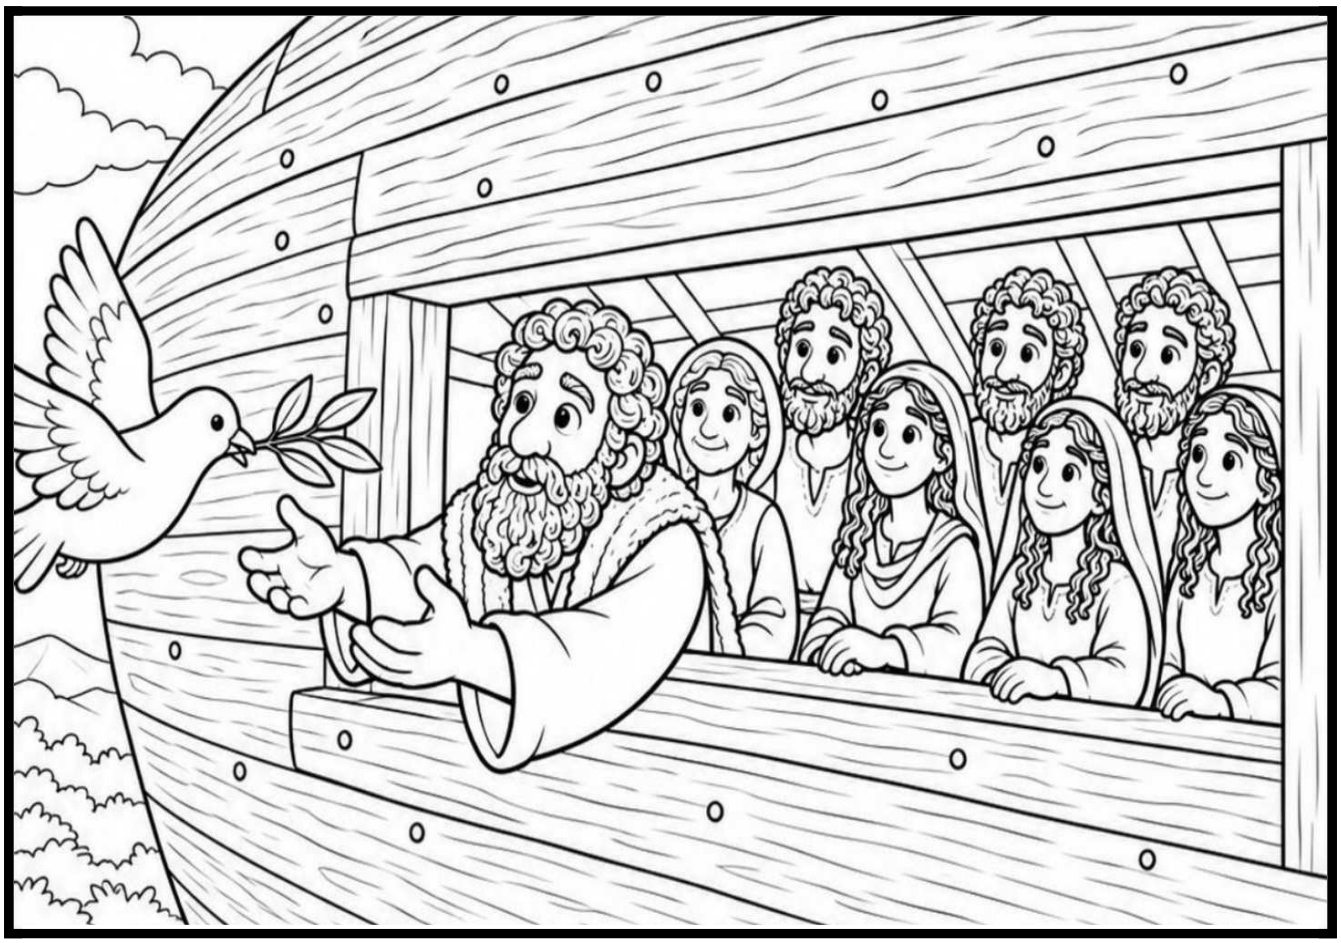

# A arca repousou no Ararate

# Noé enviou aves

# Uma folha de oliveira

# Todos saíram da arca
