Potopul

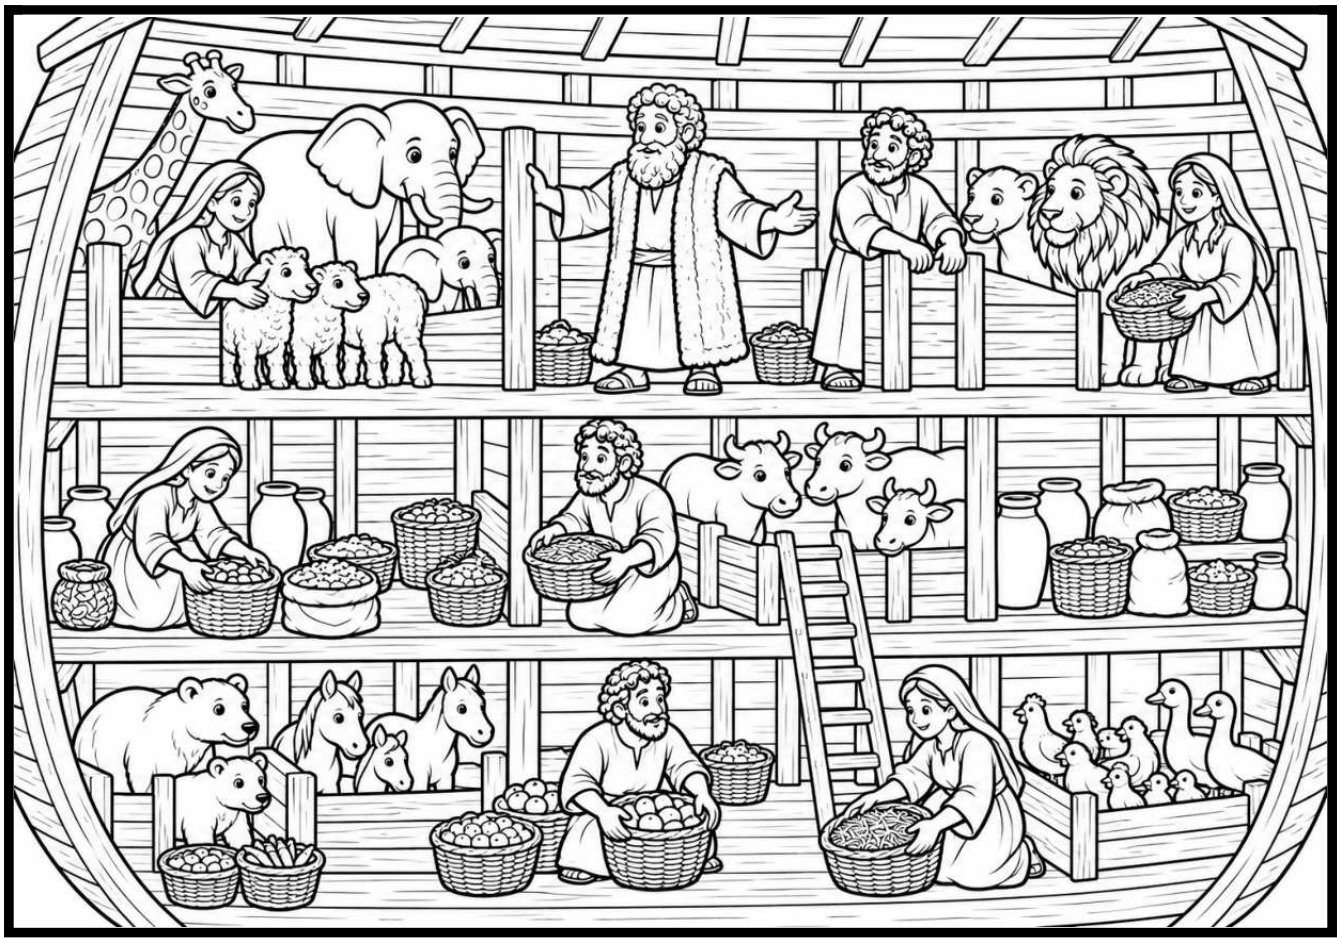

Este timpul să intrăm

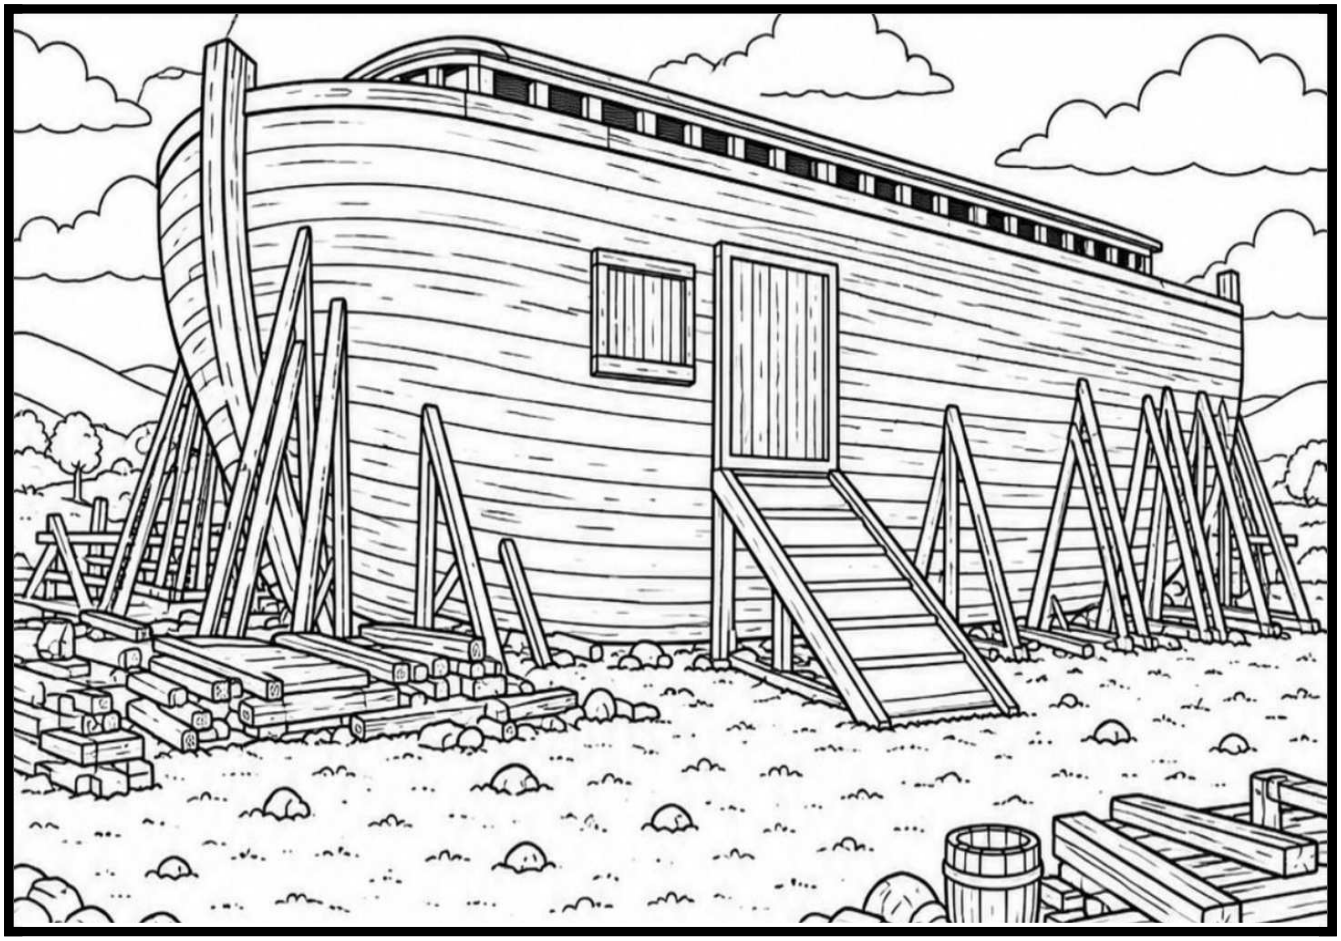

Animalele s-au apropiat

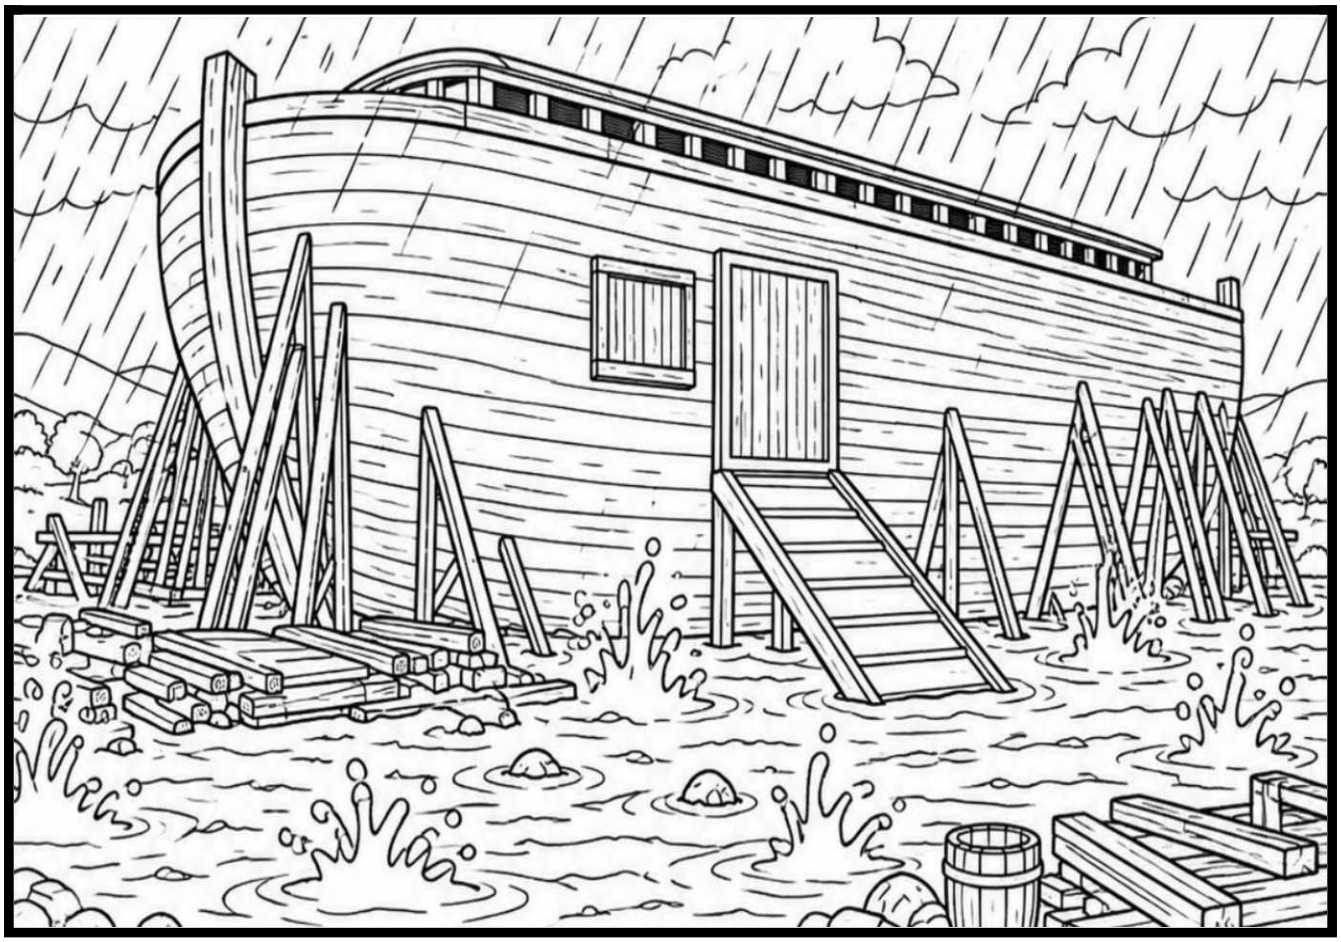

Toți erau pregătiți

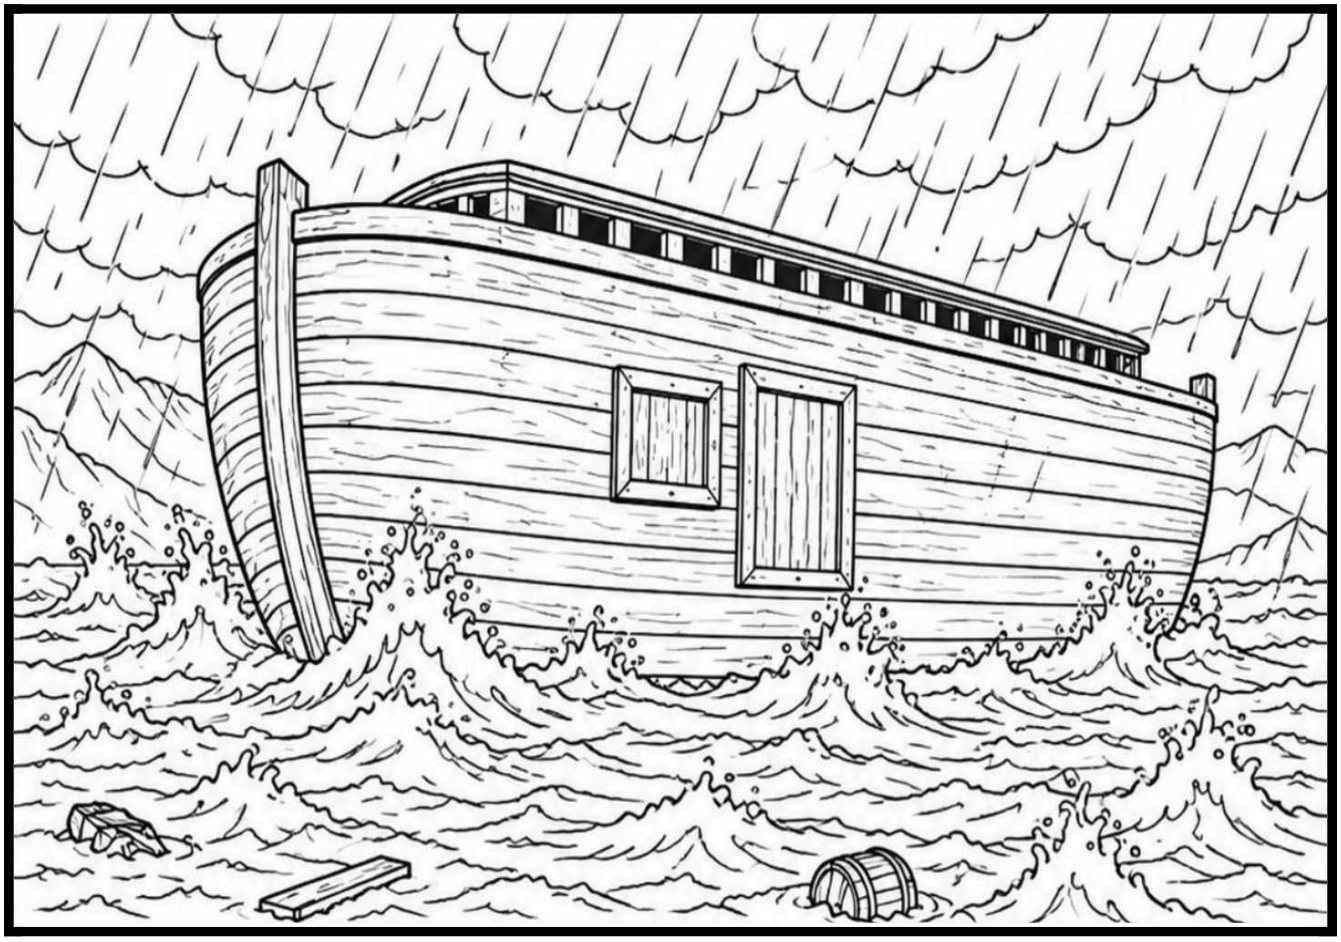

Dumnezeu a închis ușa

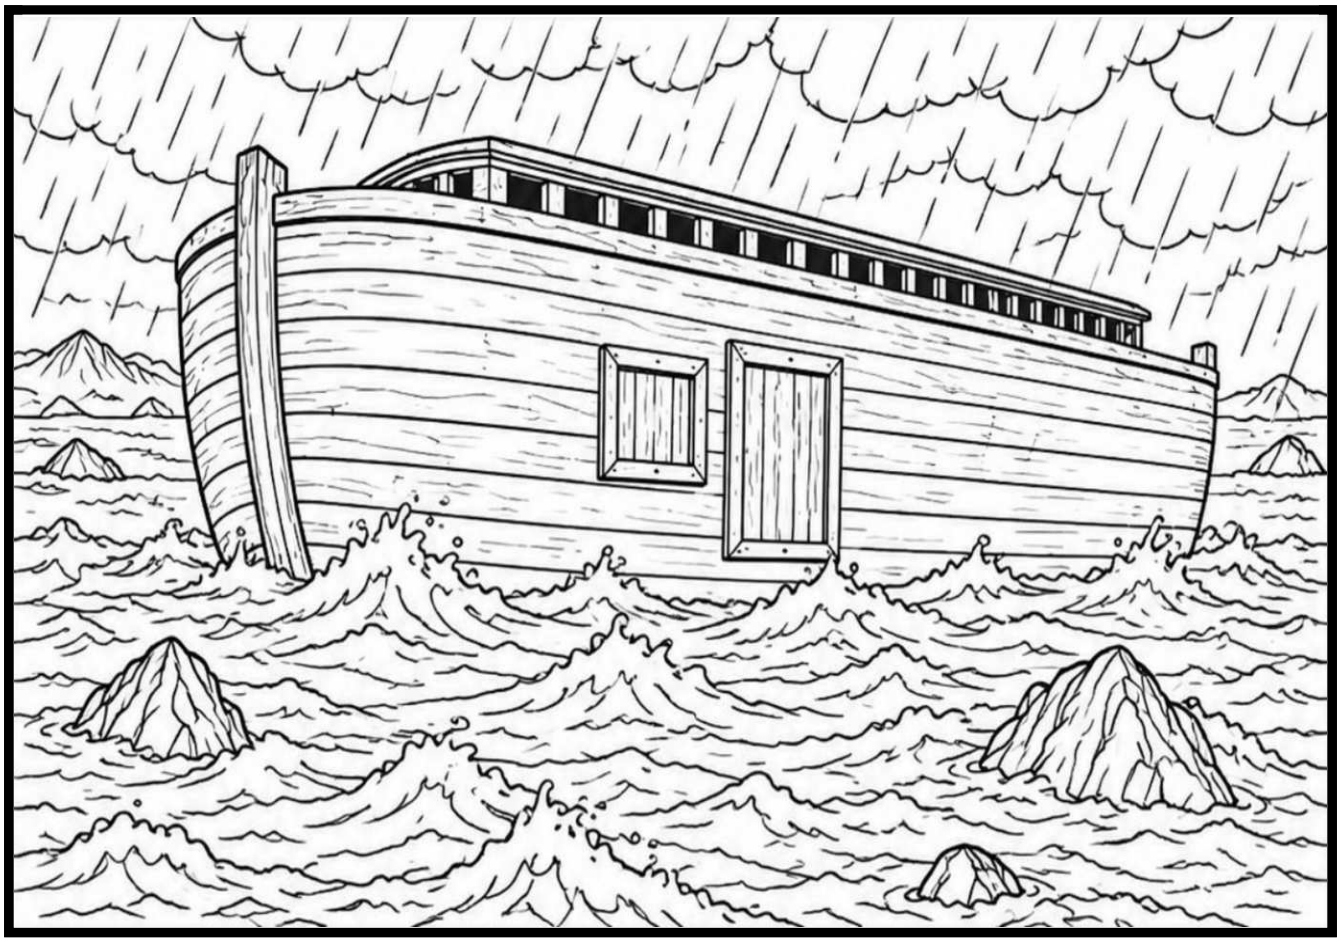

A început să plouă

Apele au ridicat arca

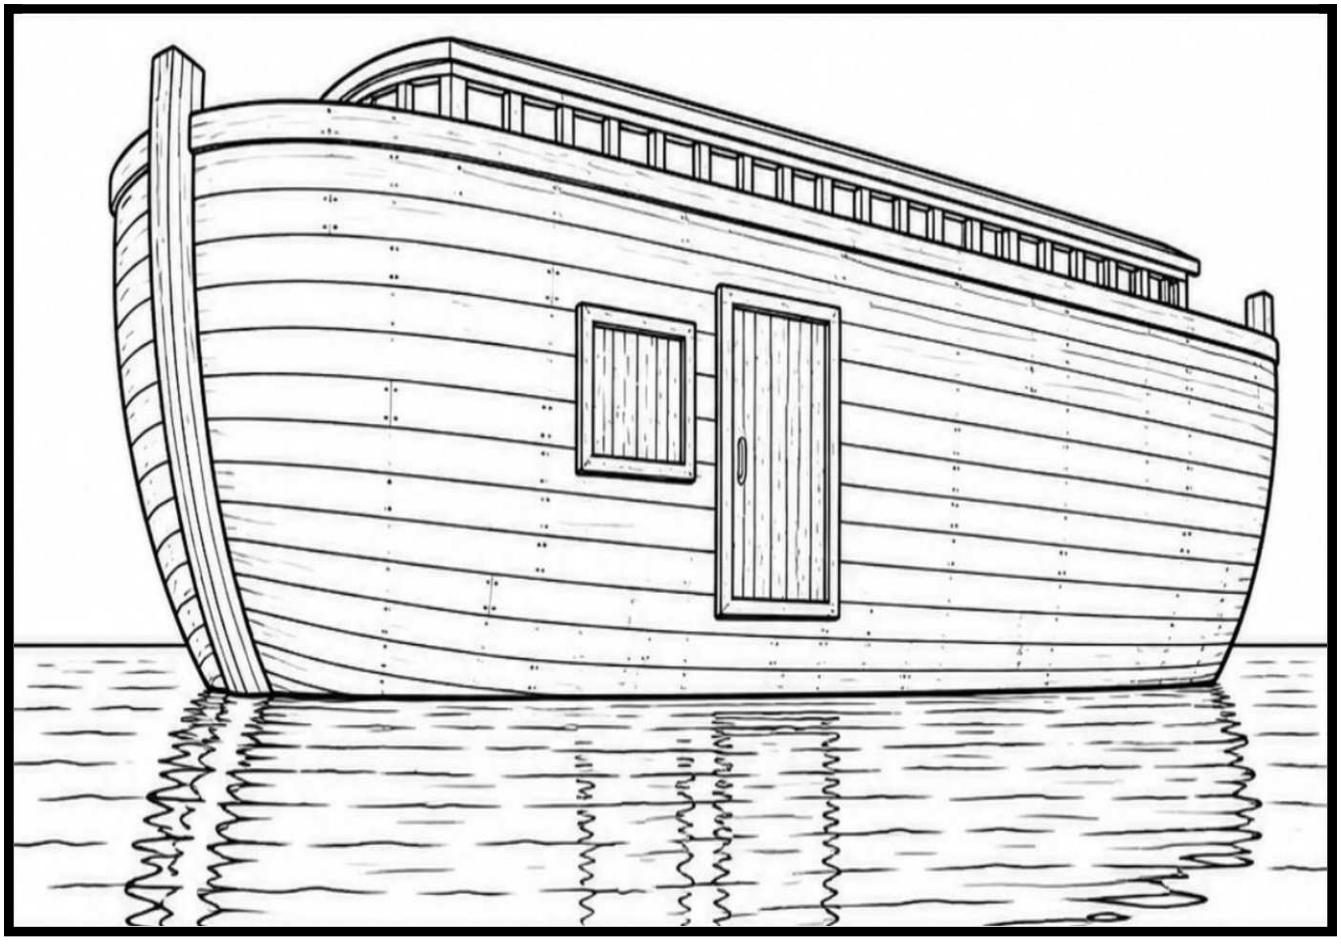

Arca plutea în siguranță

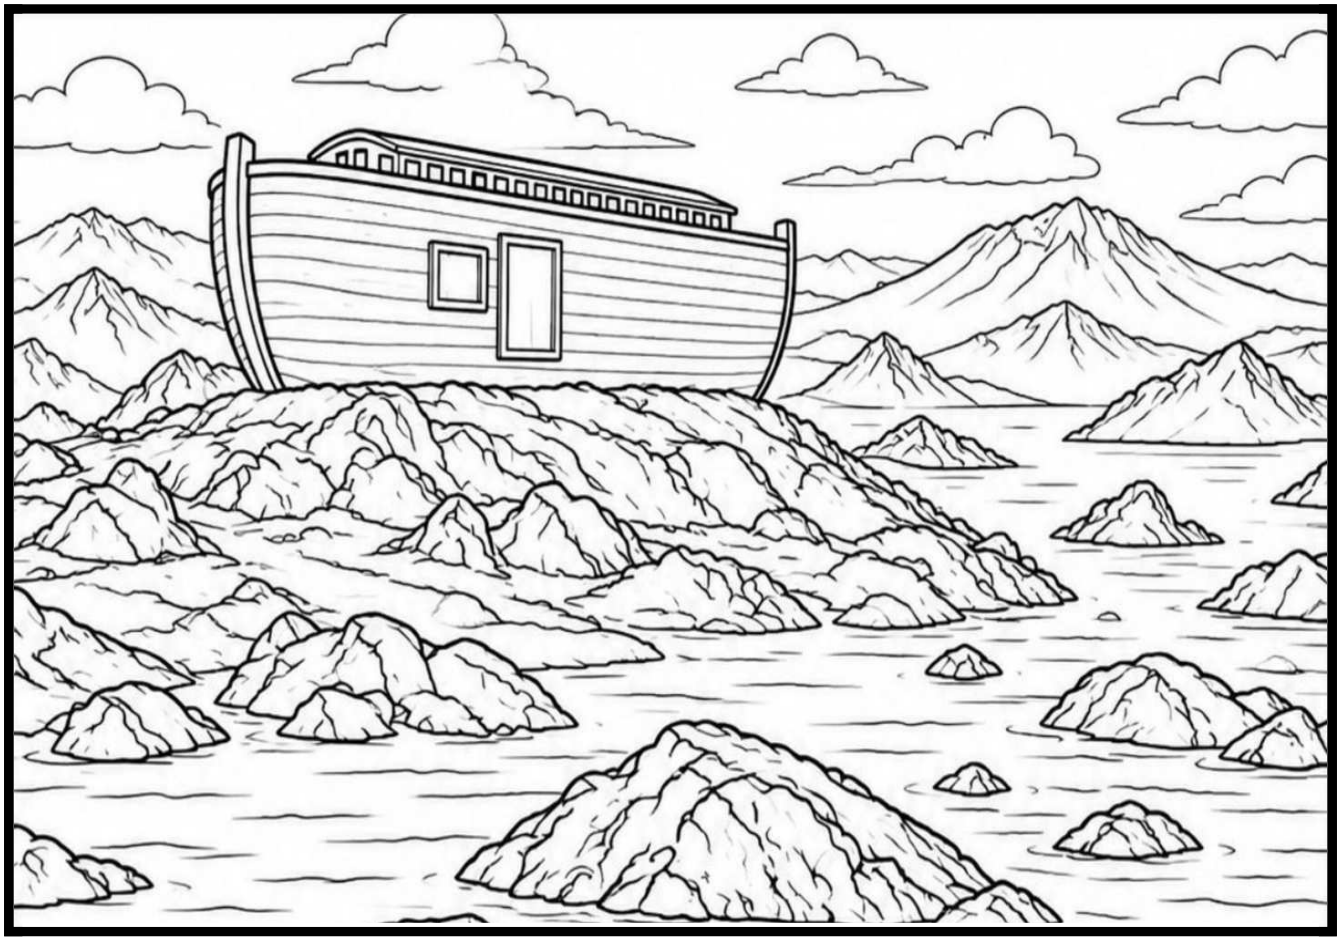

Multe zile în arcă

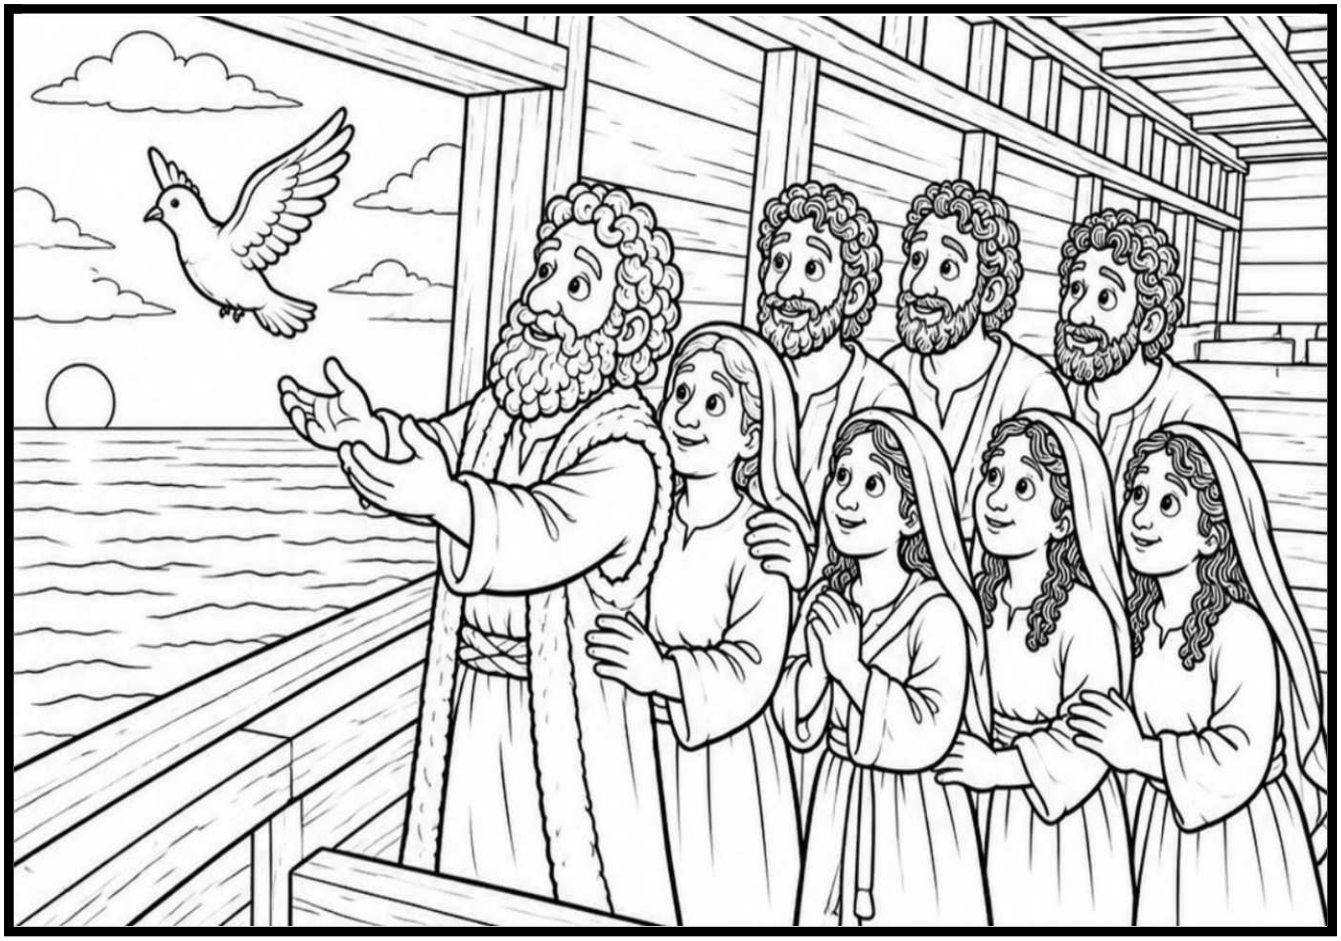

Dumnezeu și-a amintit de Noe

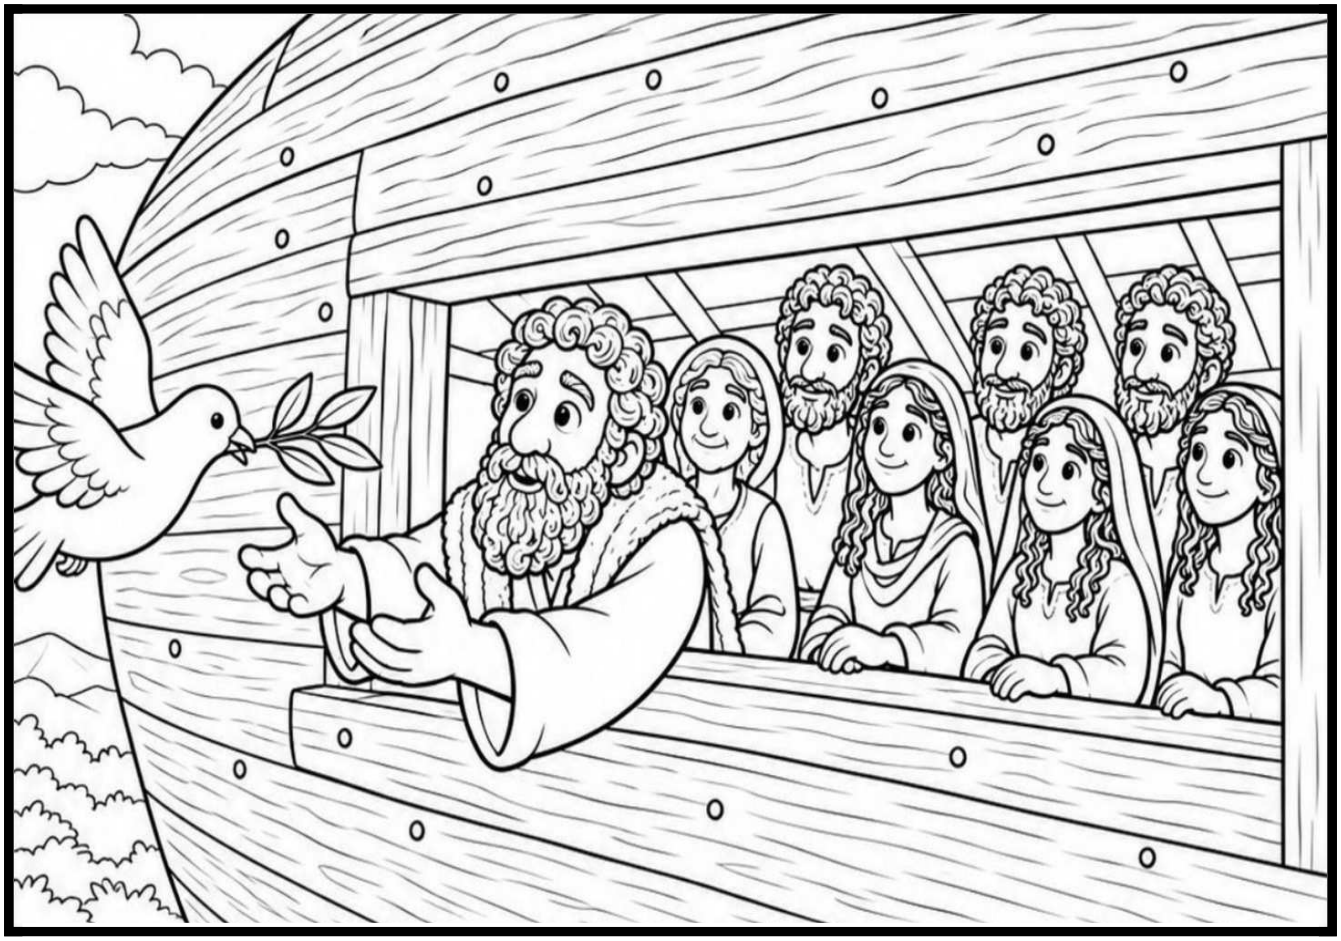

Arca s-a oprit pe Ararat

Noe a trimis păsări

O frunză de măslin

Toți au ieșit din arcă
