Grădina pregătită de Dumnezeu

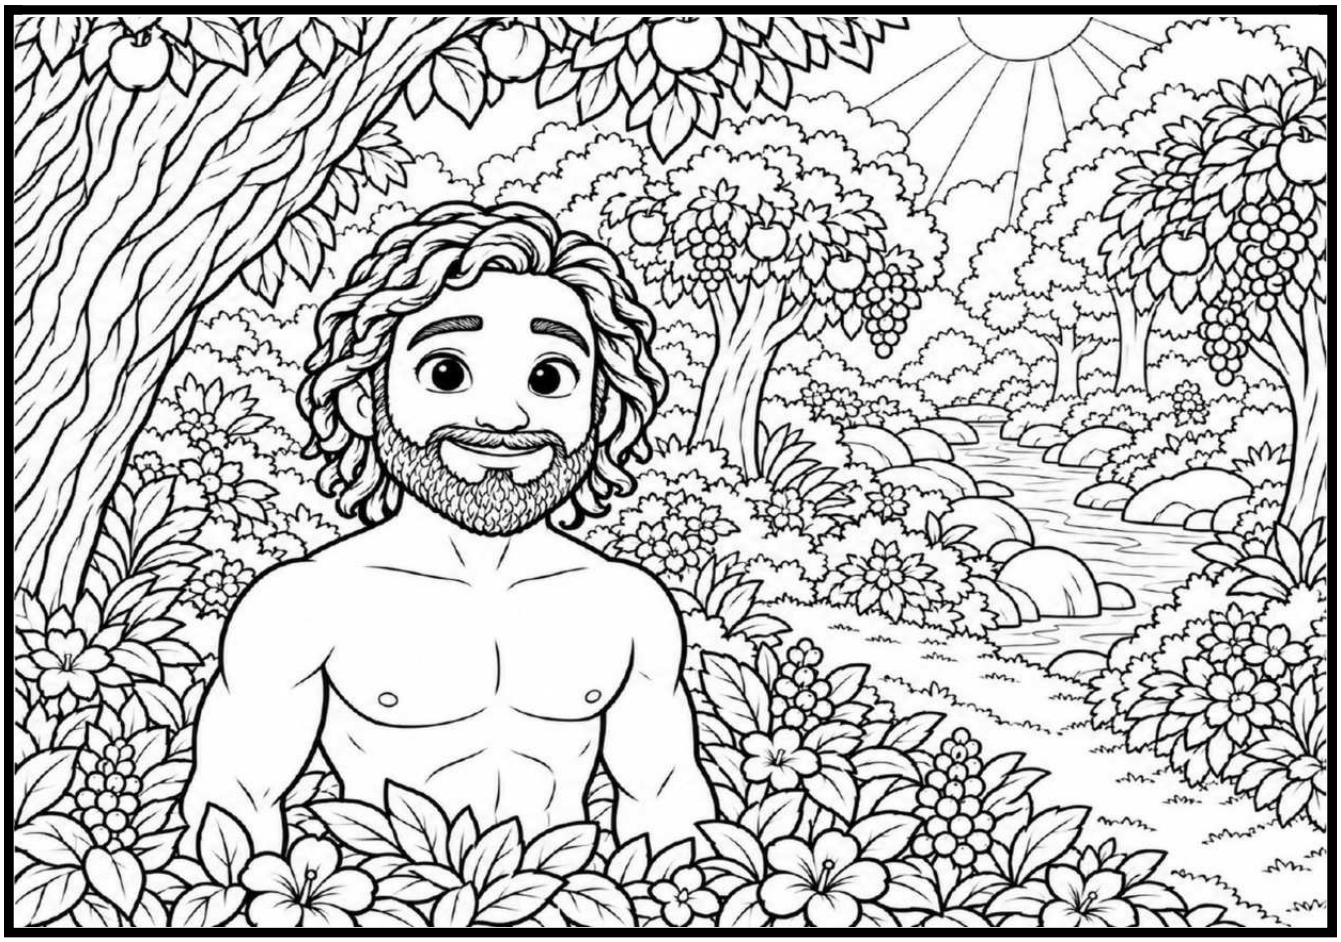

Pământul aștepta

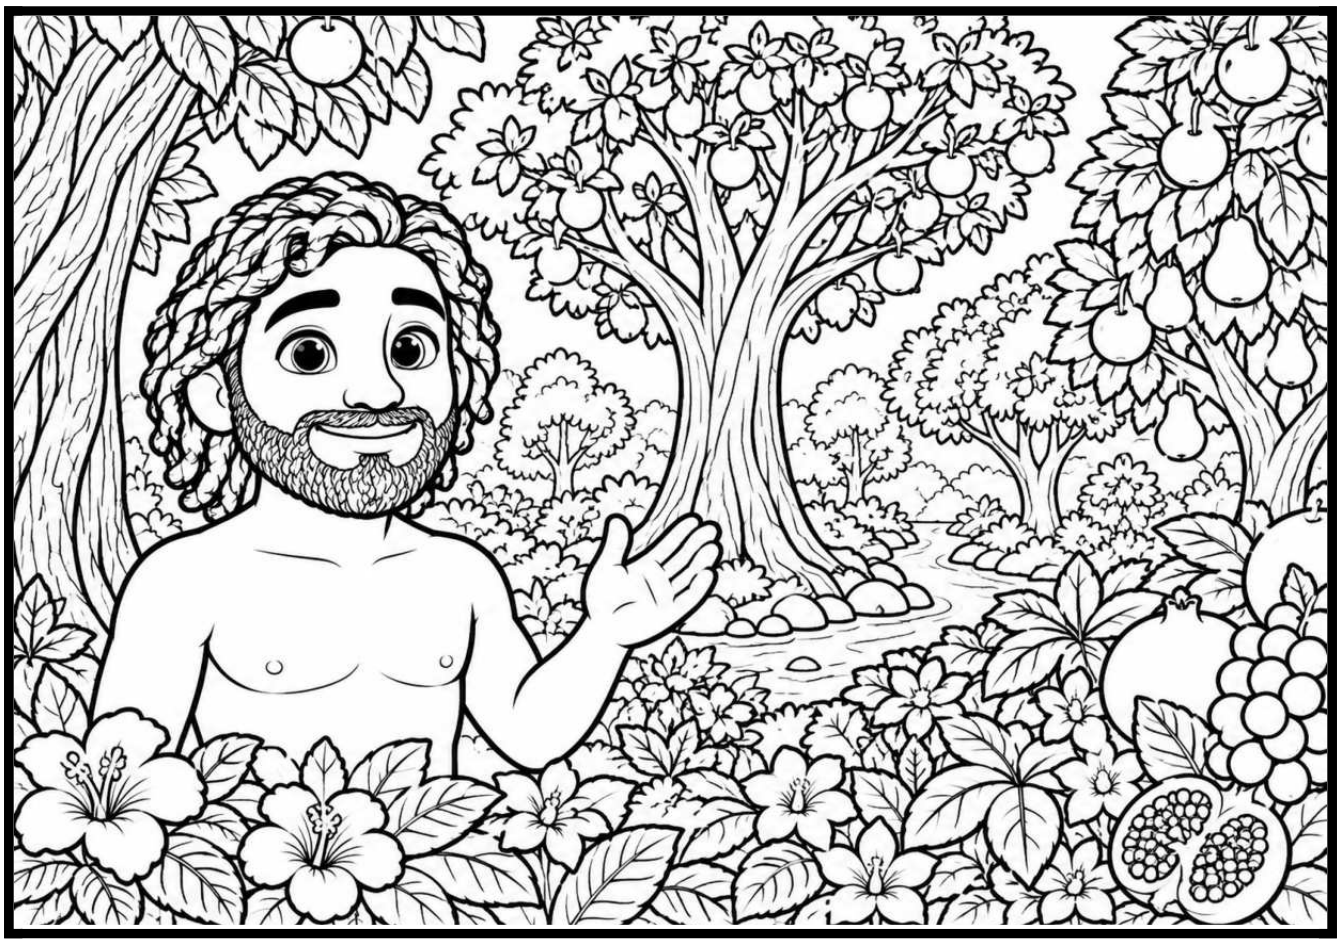

Dumnezeu l-a făcut pe om

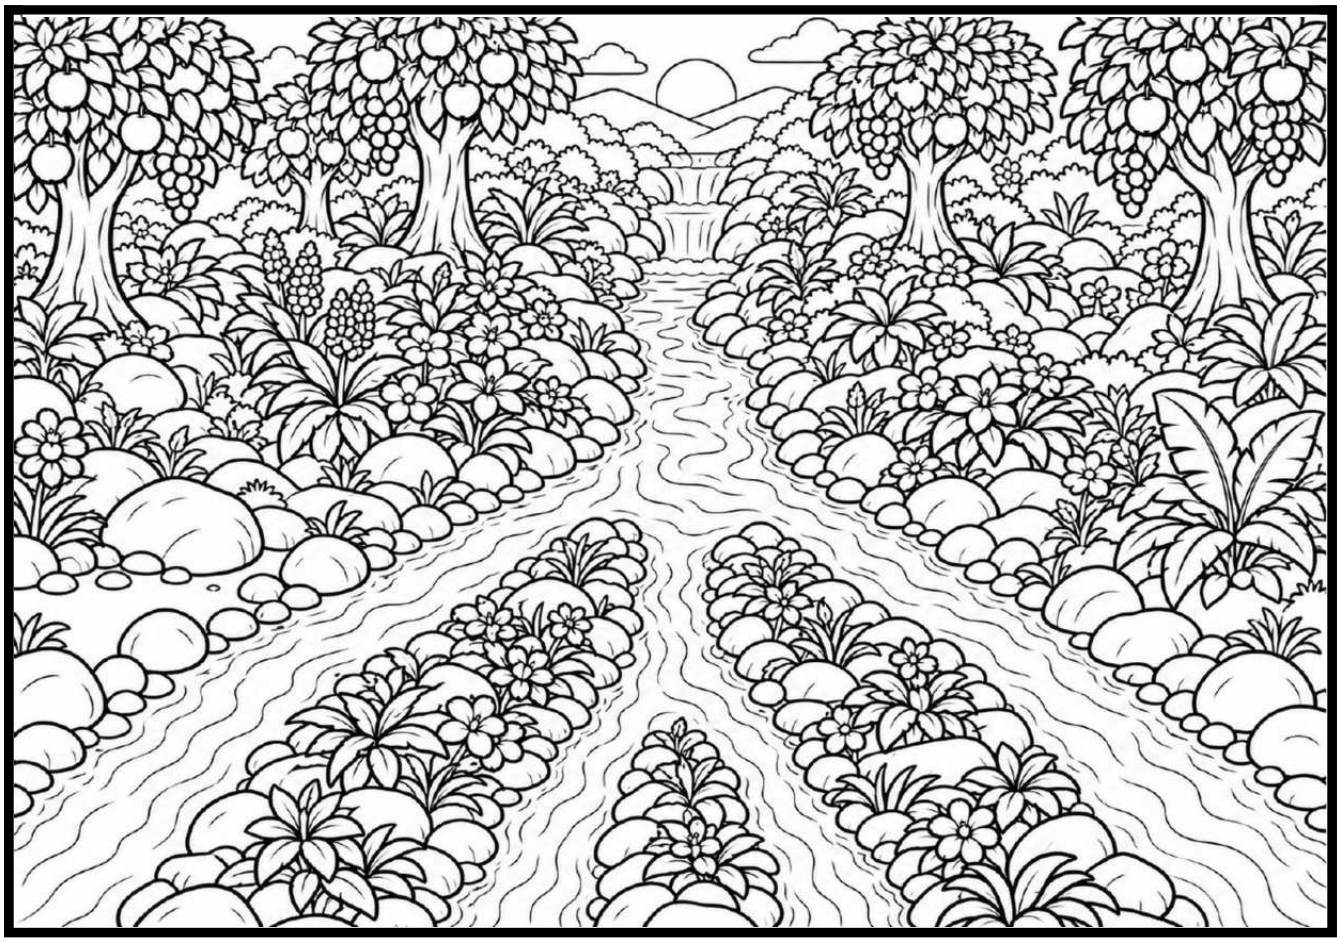

O grădină în Eden

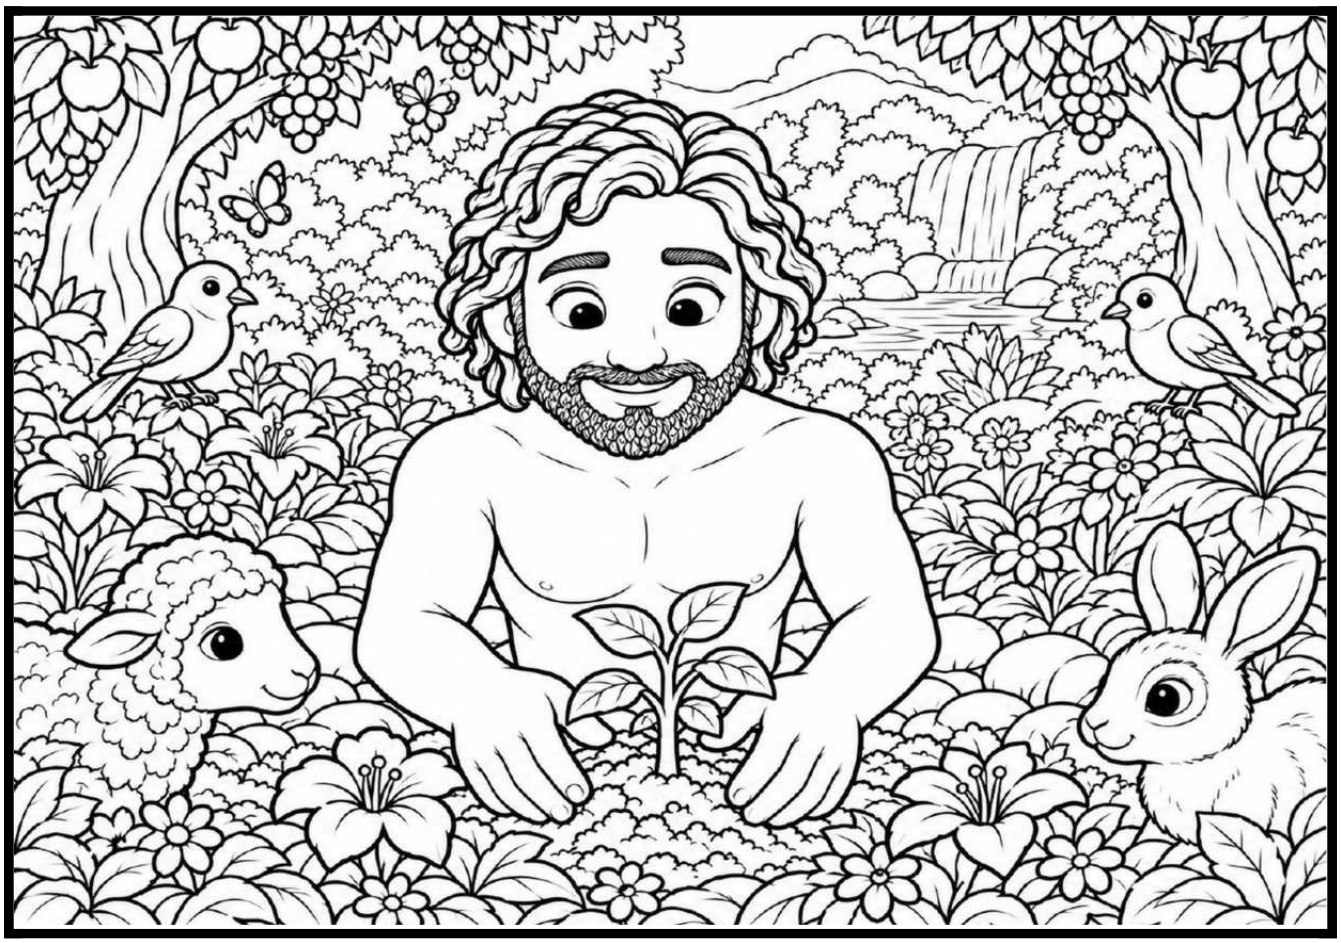

Copaci frumoși și buni

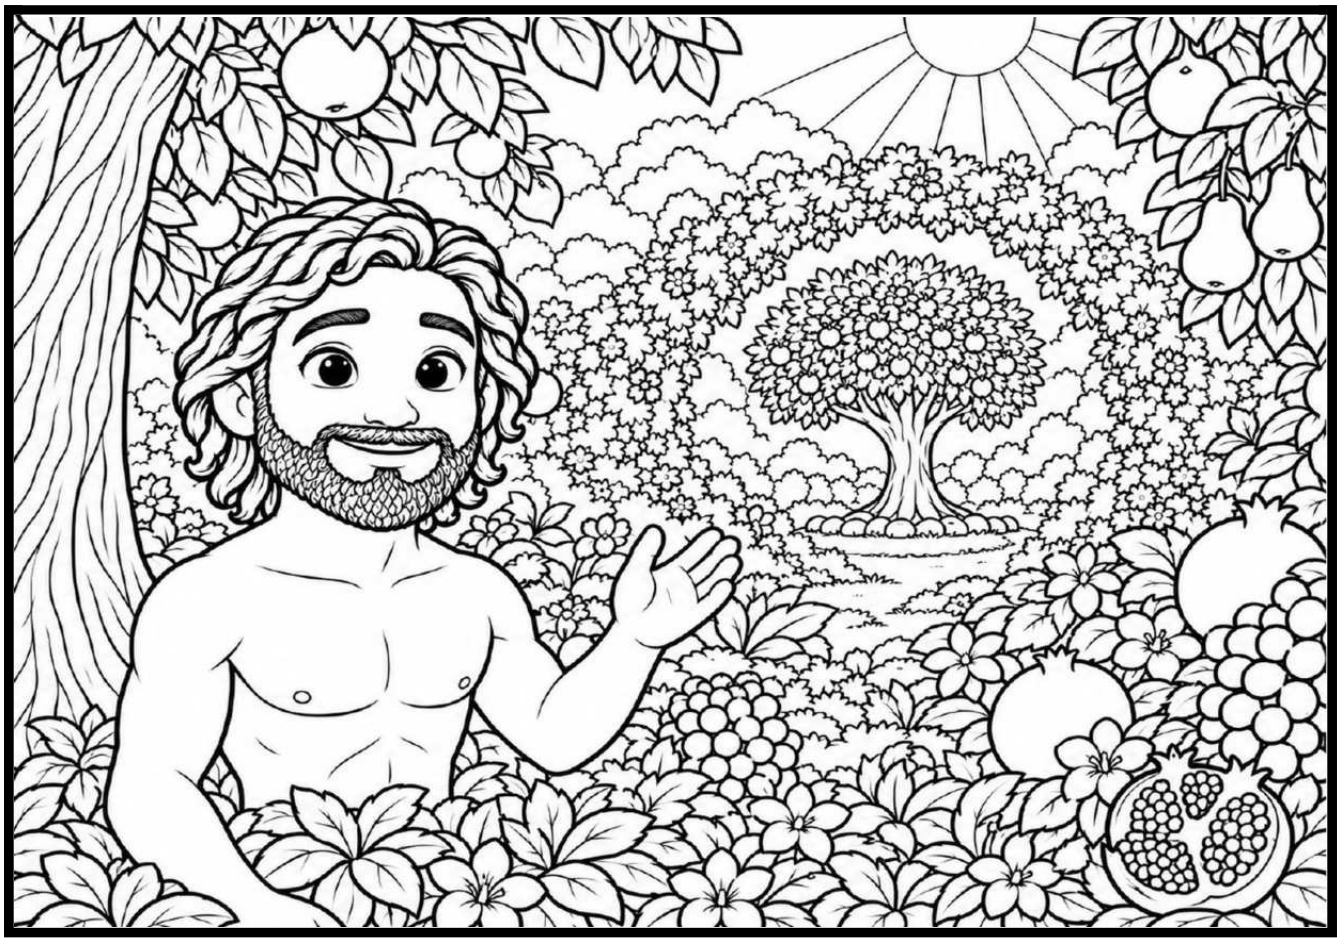

Un râu uda grădina

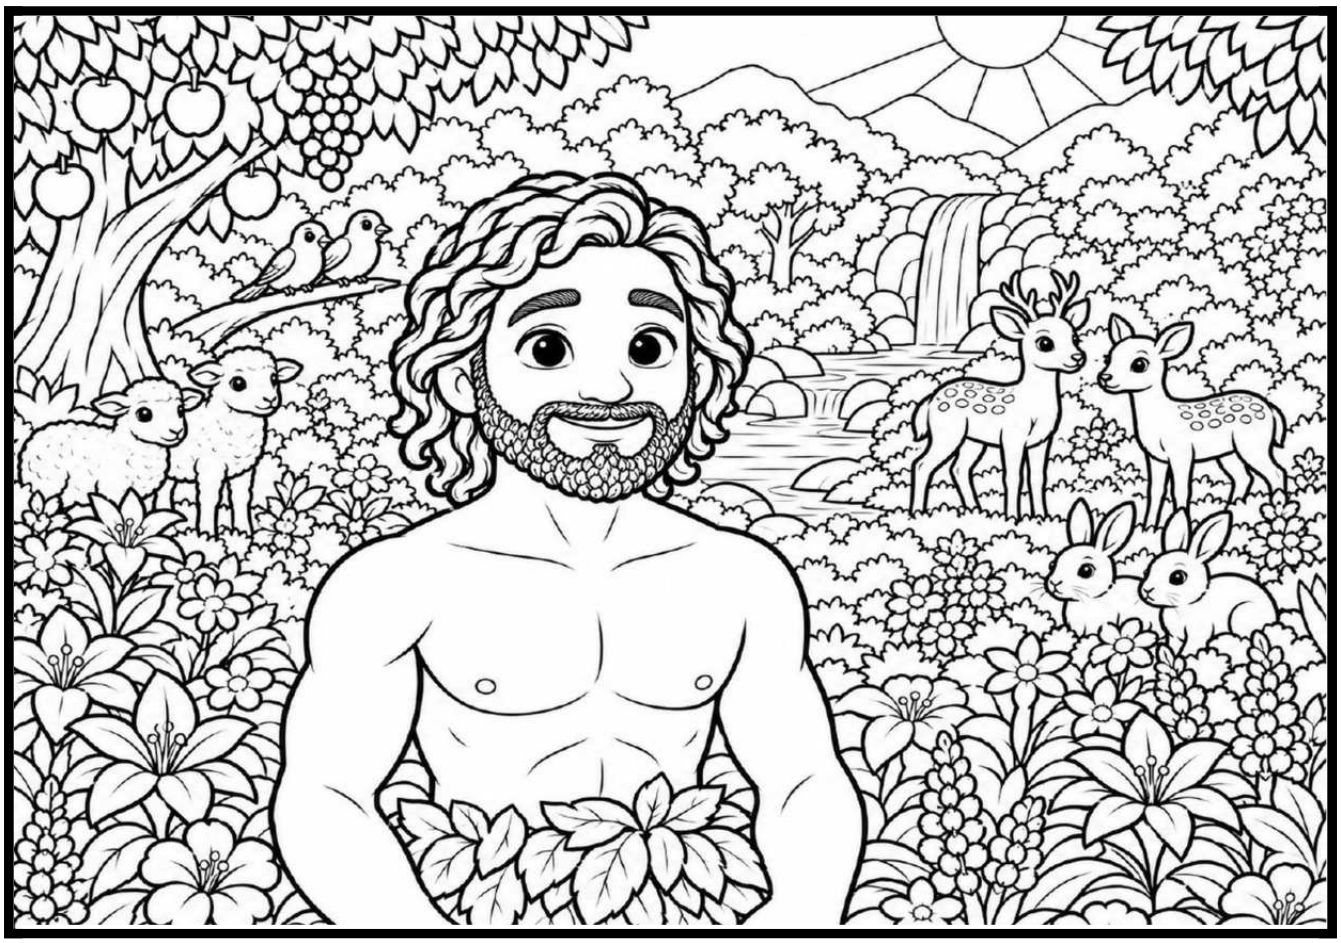

O însărcinare pentru Adam

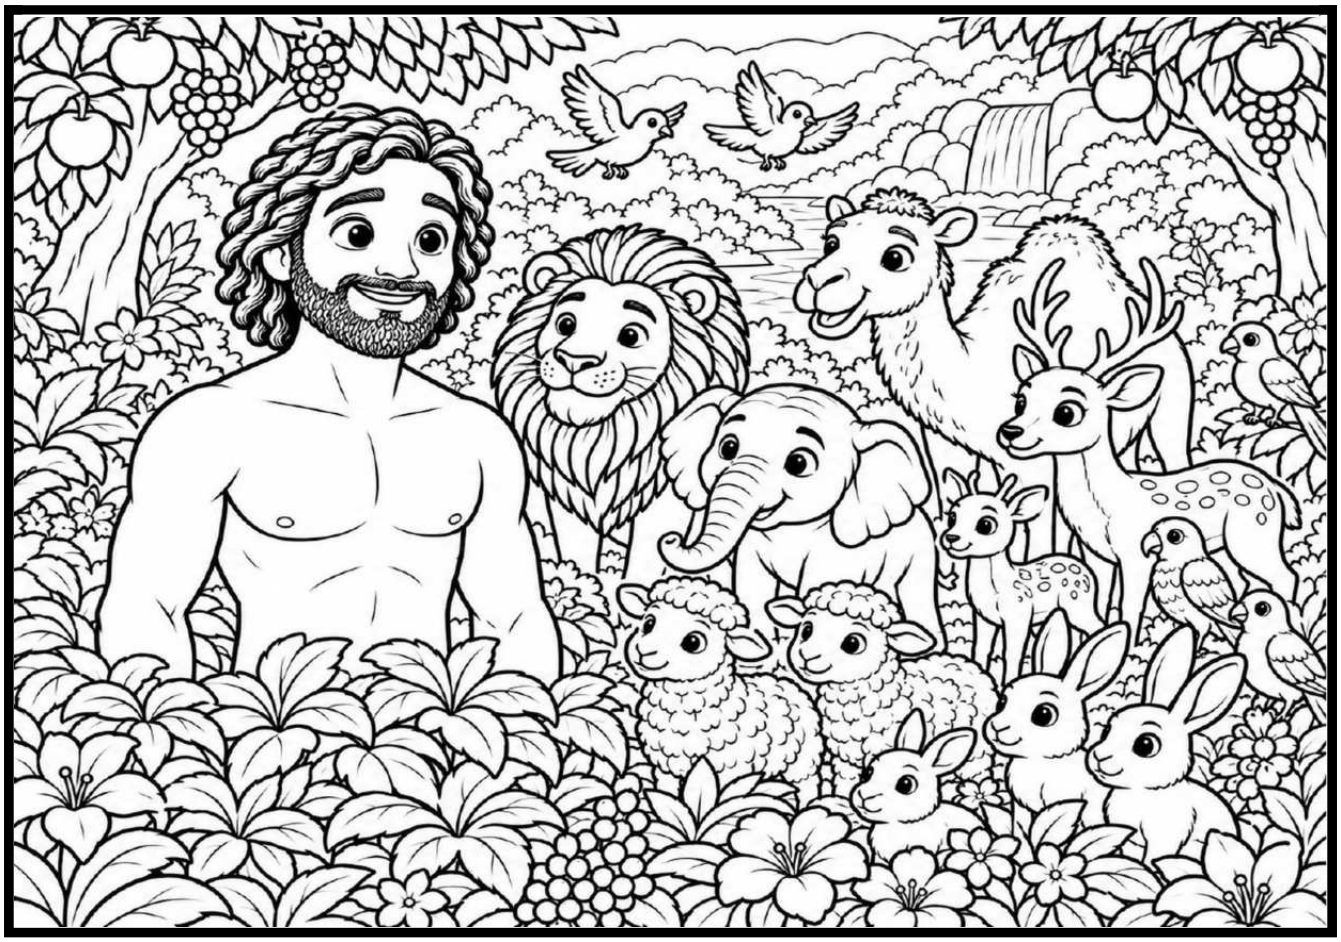

O poruncă importantă

Nu este bine să fie singur

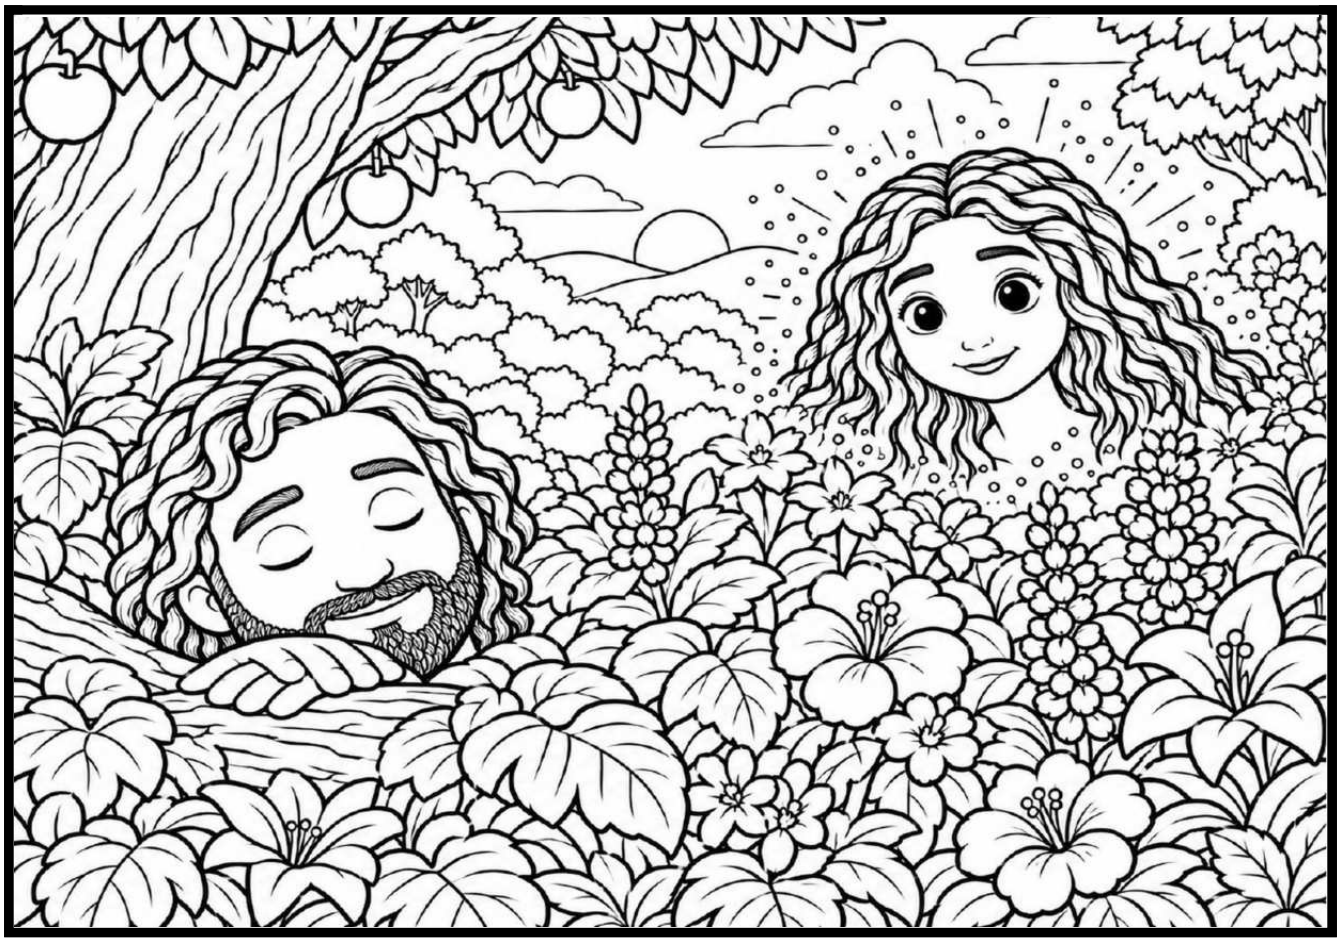

Dumnezeu a adus animalele

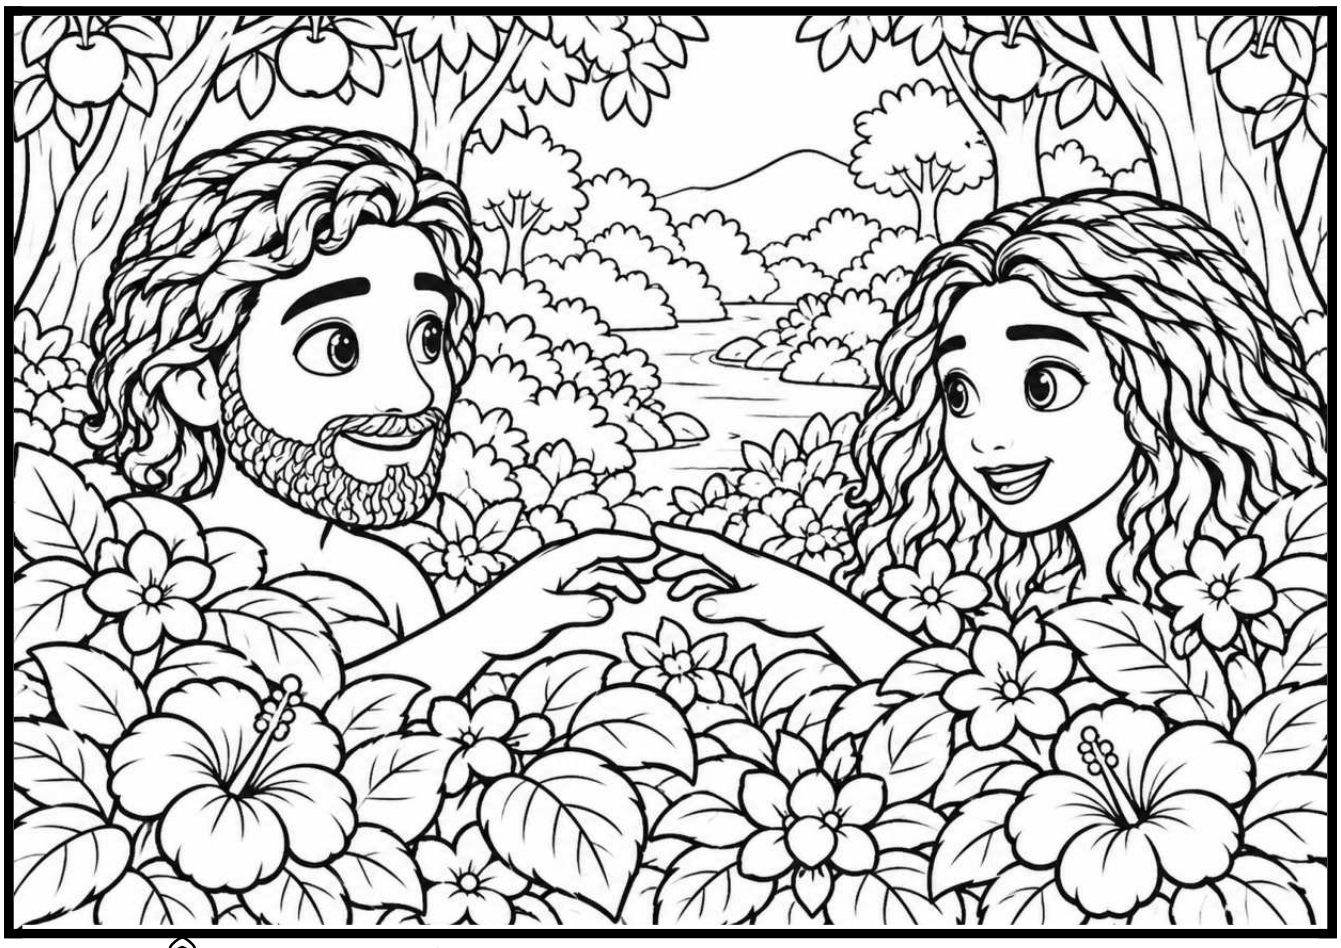

Adam le-a pus nume

Dumnezeu a făcut femeia

O tovarășă pentru Adam

În pace înaintea lui Dumnezeu
