Isus potolește furtuna

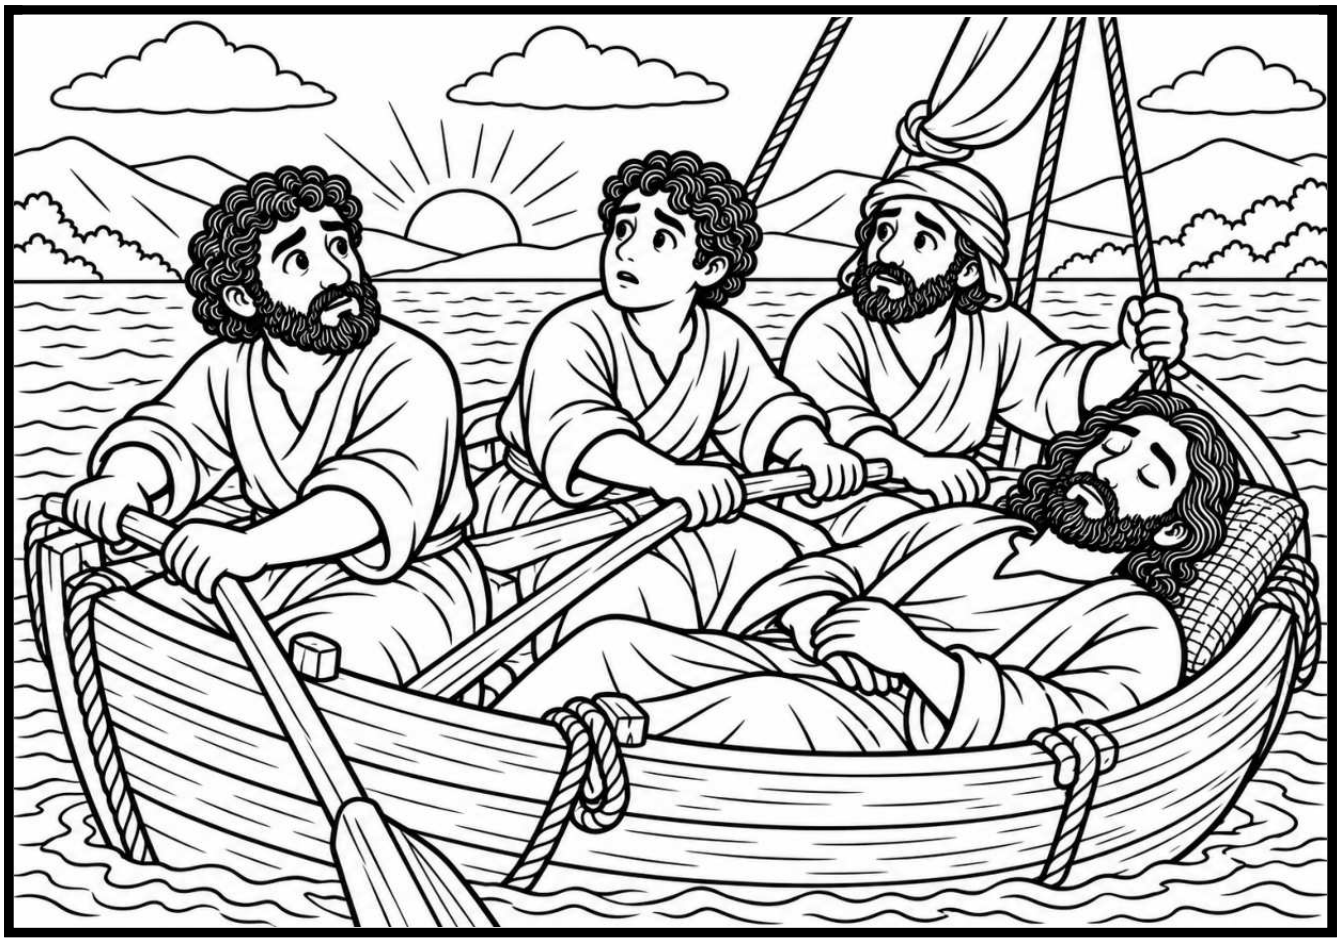

La căderea serii

S-au urcat în barcă

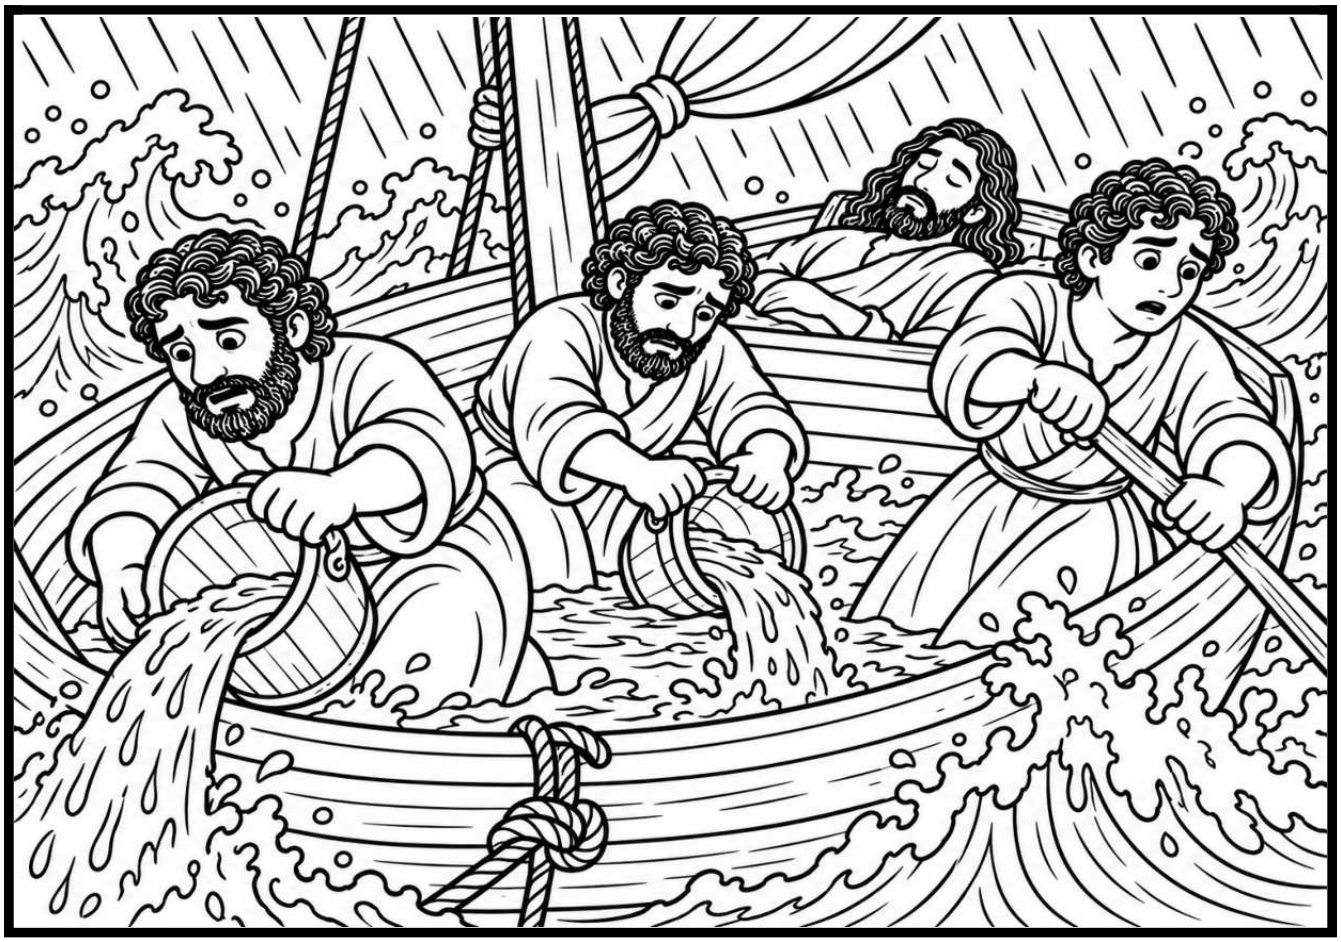

Isus avea nevoie să Se odihnească

Vântul a început să sufle

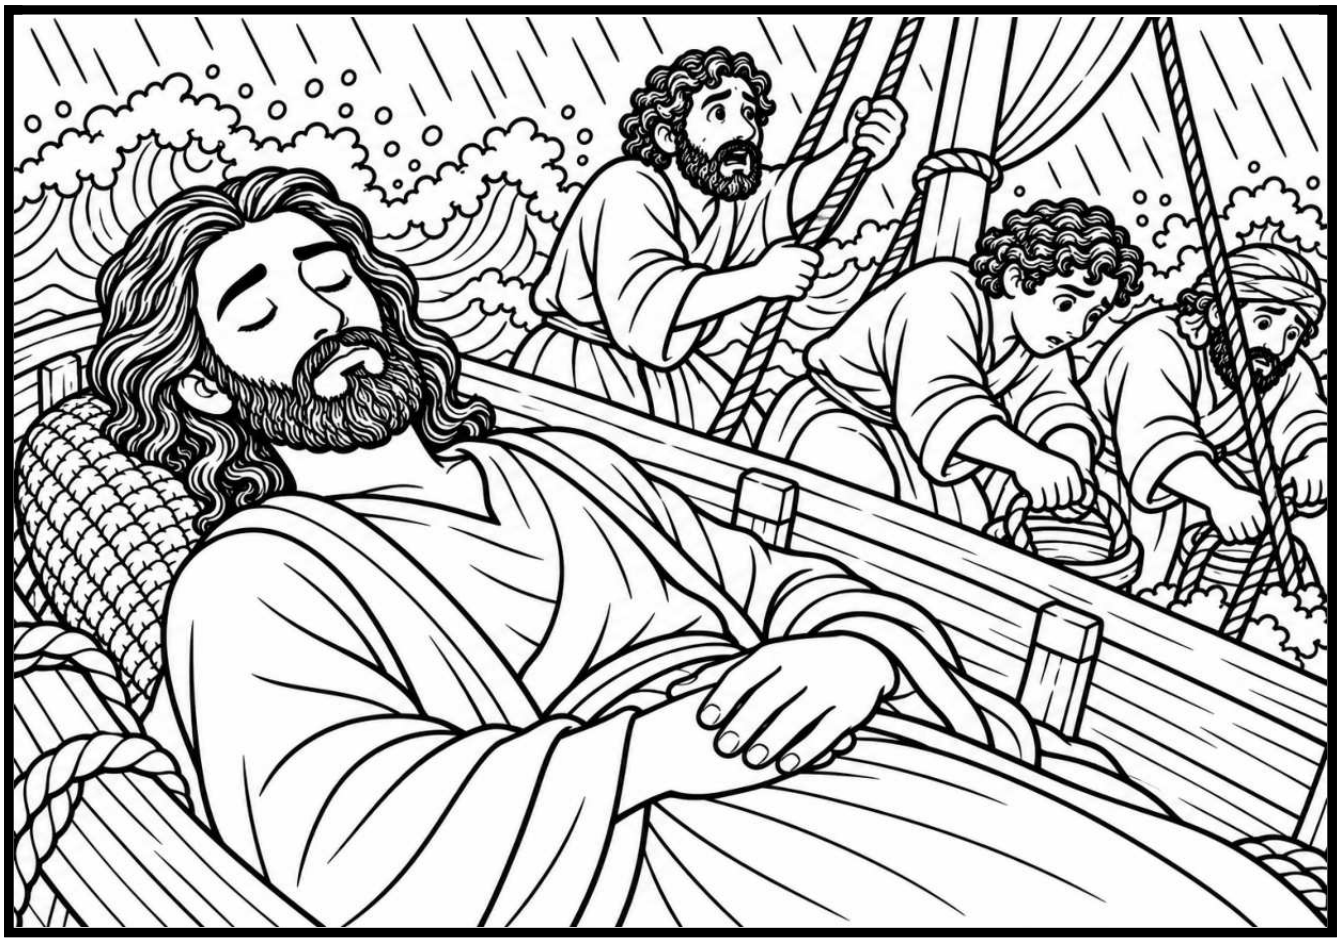

Barca se umplea cu apă

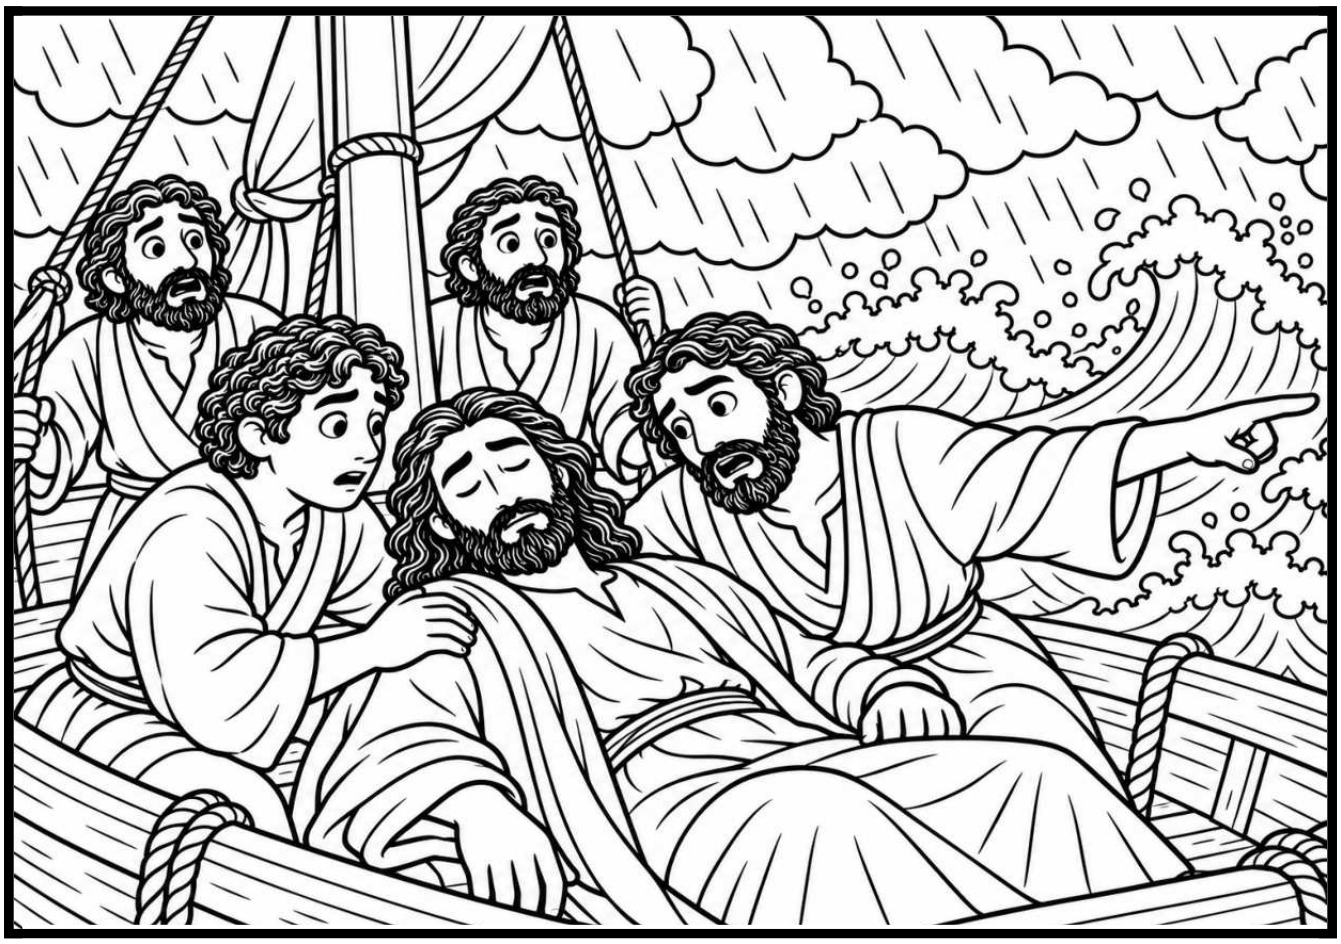

Ucenicii s-au temut

Isus dormea încă

Învățătorule, ajută-ne!

Isus S-a ridicat

Taci! Liniștește-te!

O mare liniște

De ce v-a fost frică?

Cine este Isus?
