Noe construiește arca

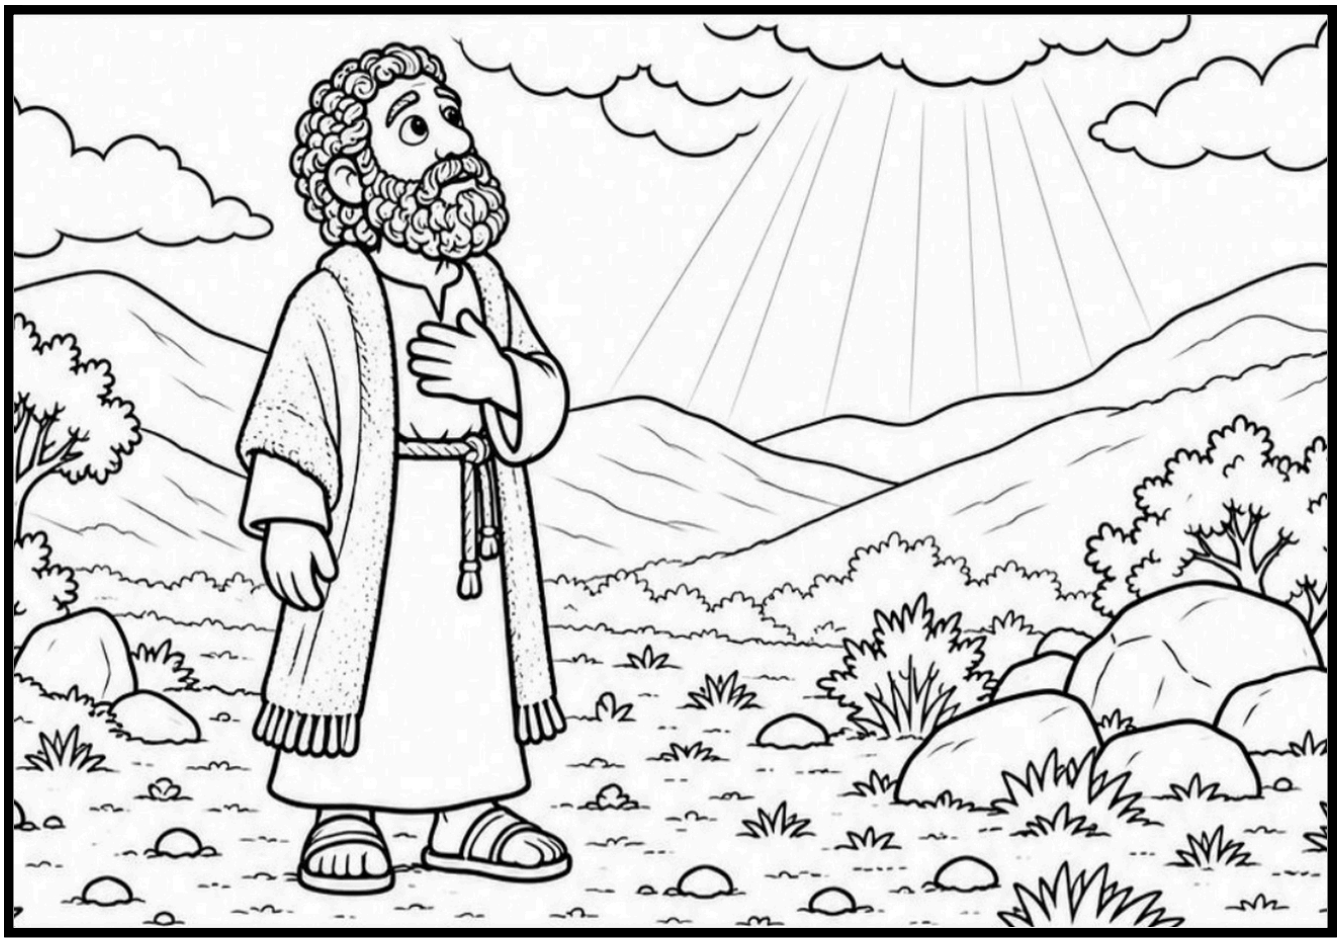

Pământul s-a umplut de răutate

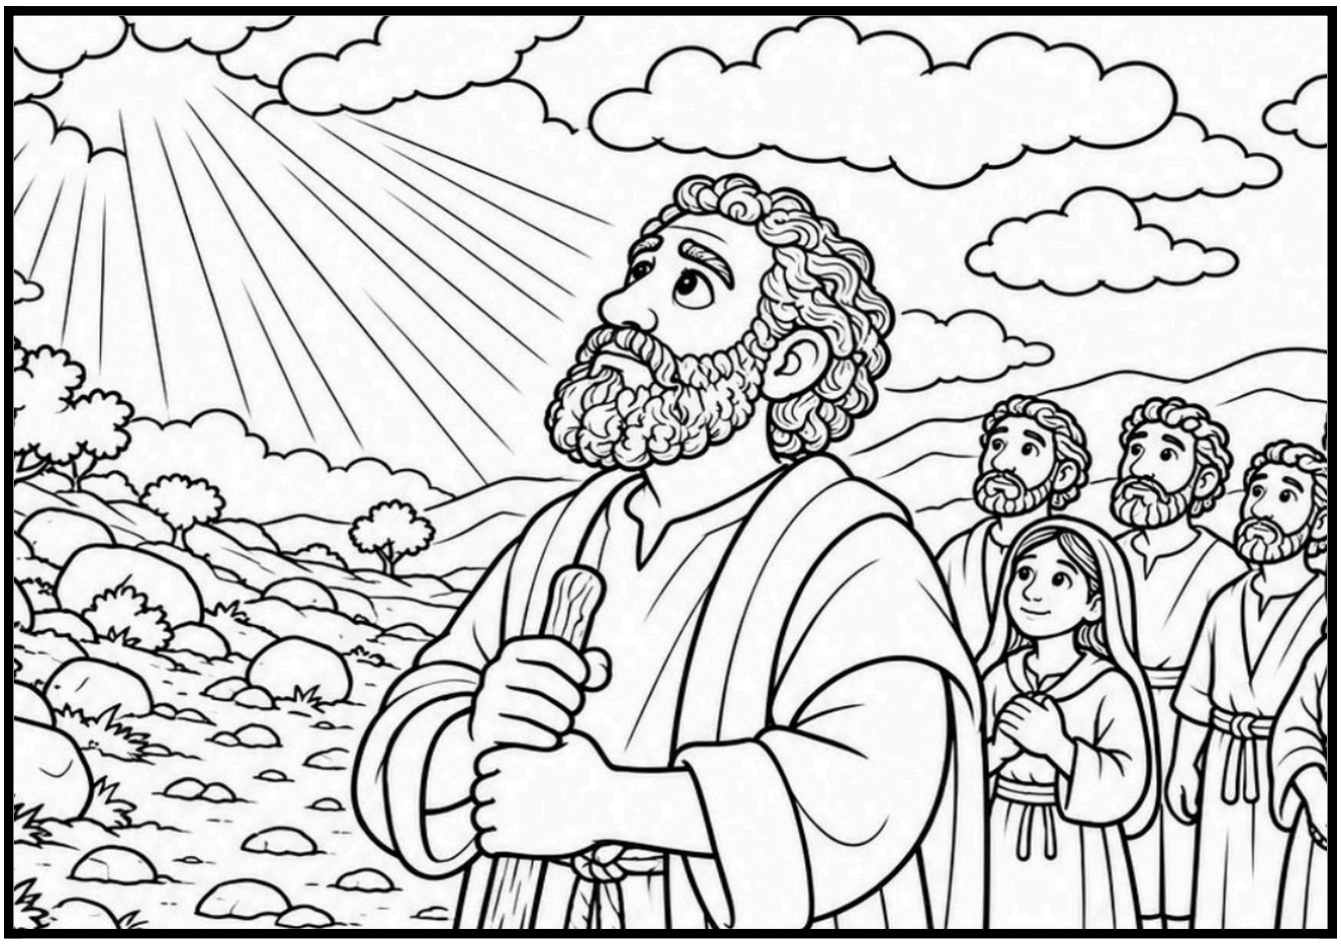

Noe umbla cu Dumnezeu

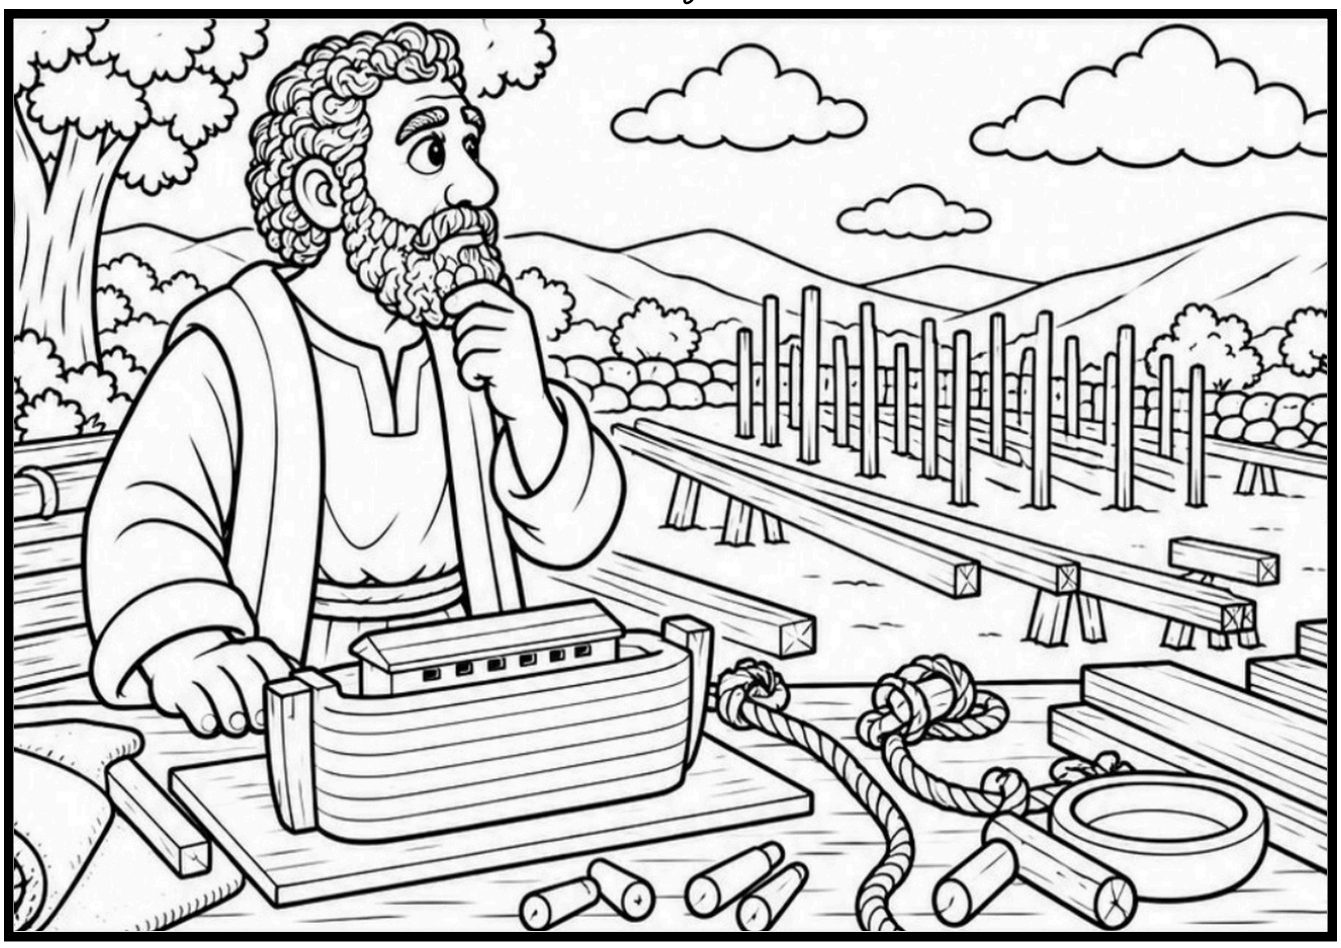

Dumnezeu i-a vorbit lui Noe

Urma să vină un mare potop

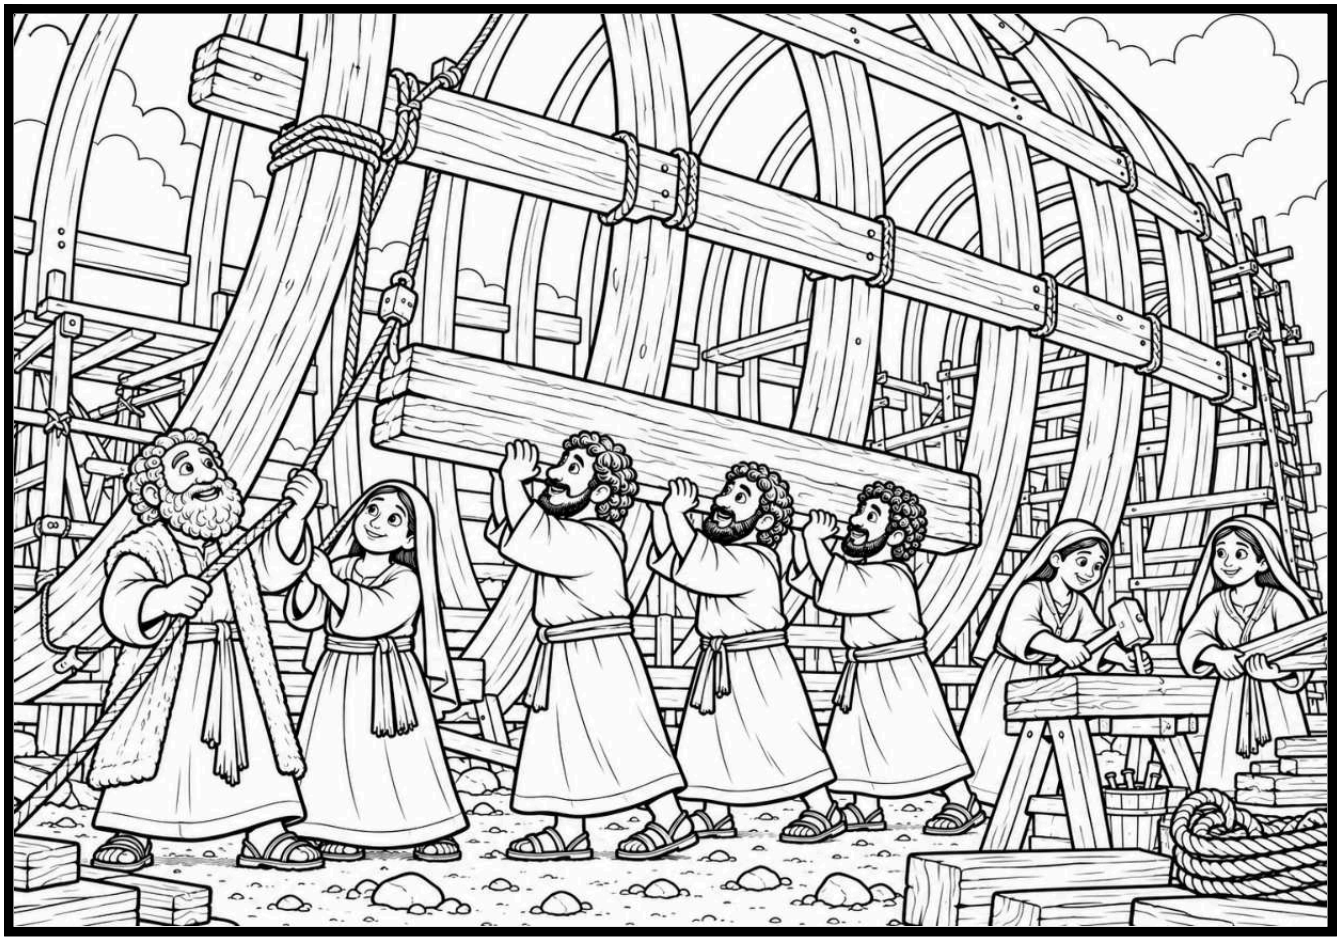

Construiește o arcă

O construcție uriașă

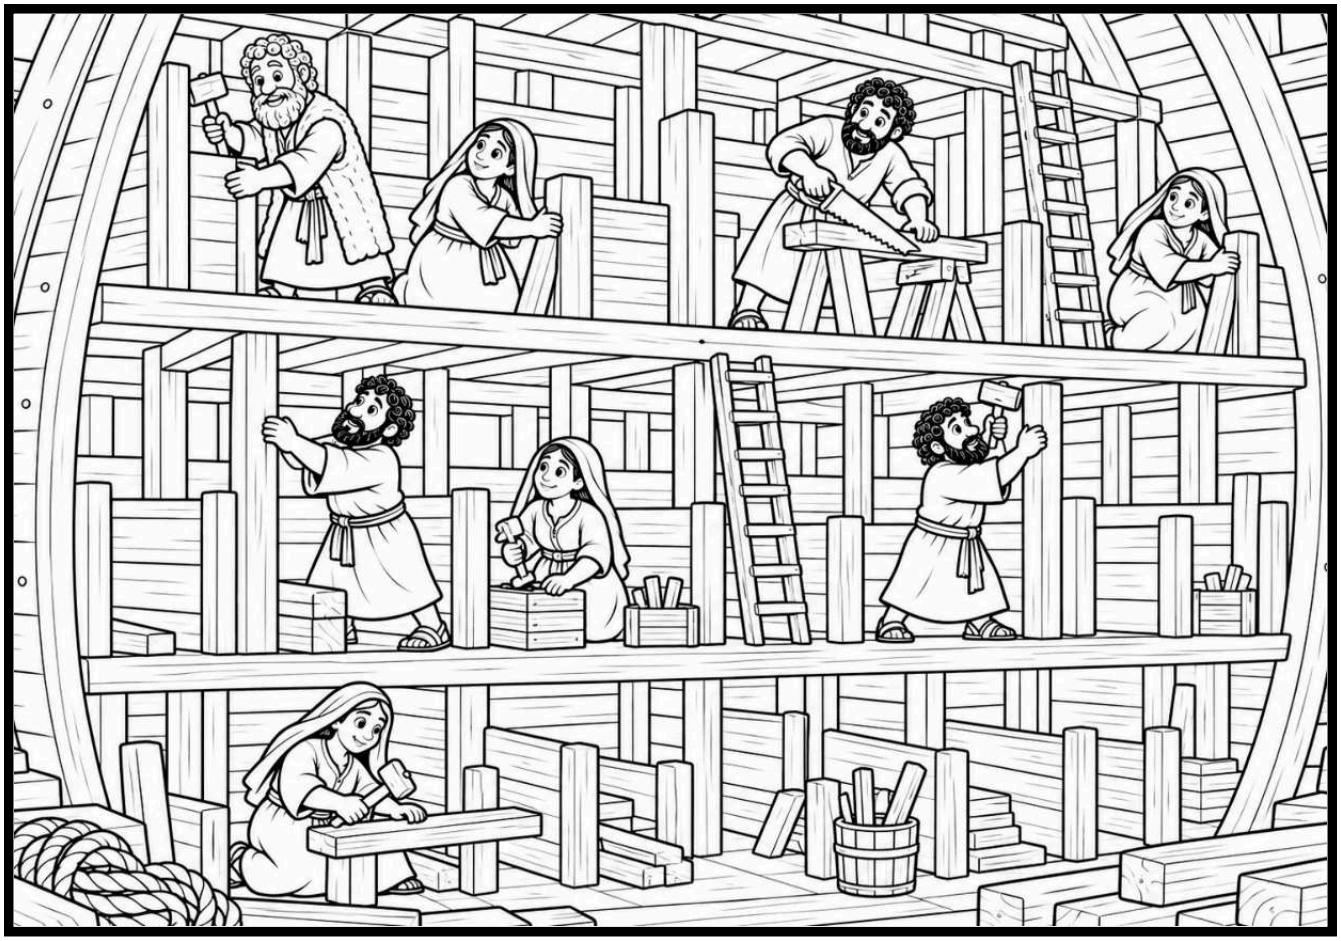

Construcția a început să crească

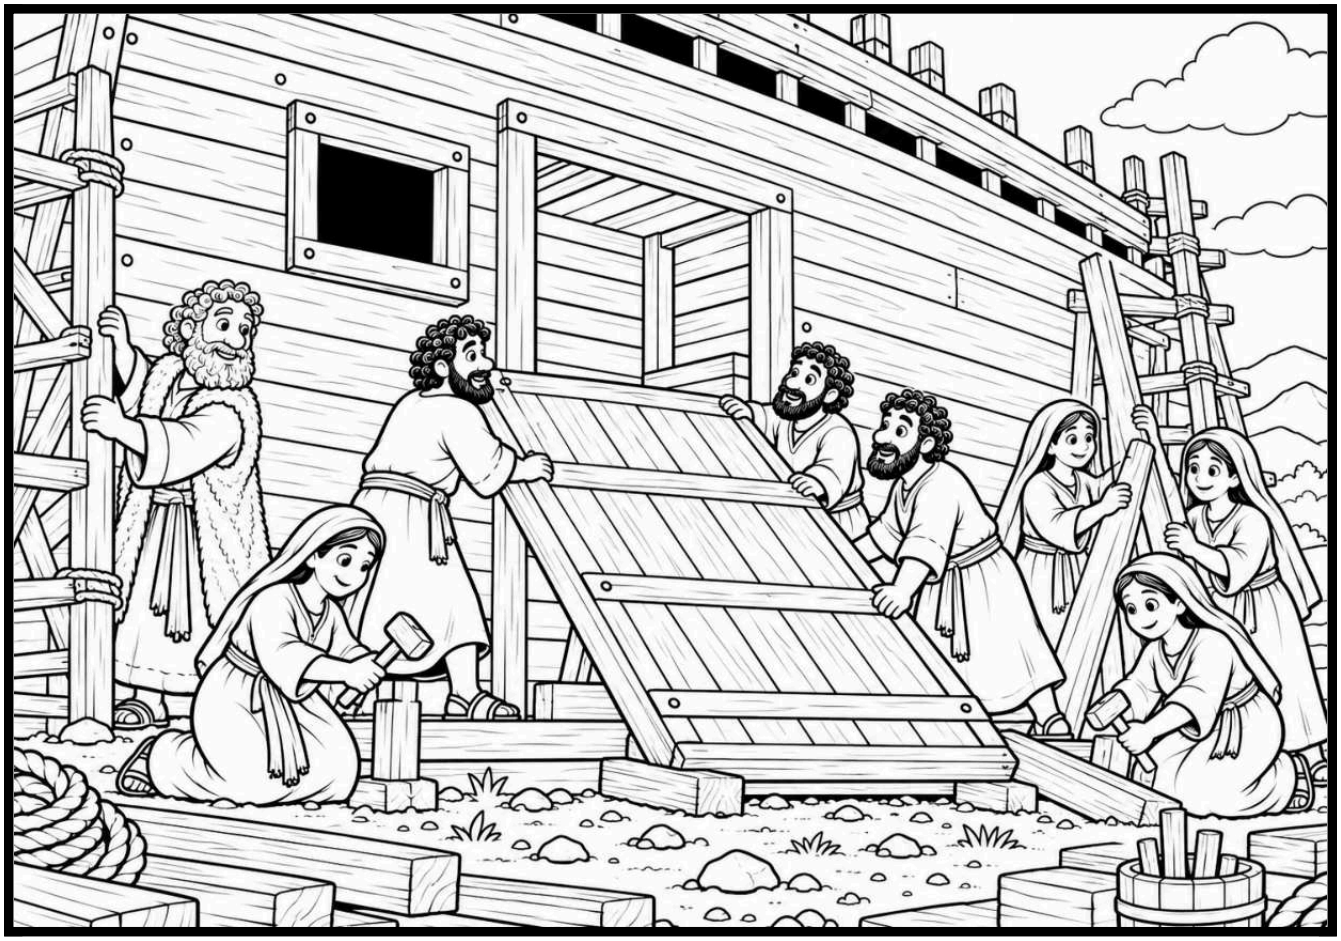

Au protejat tot lemnul

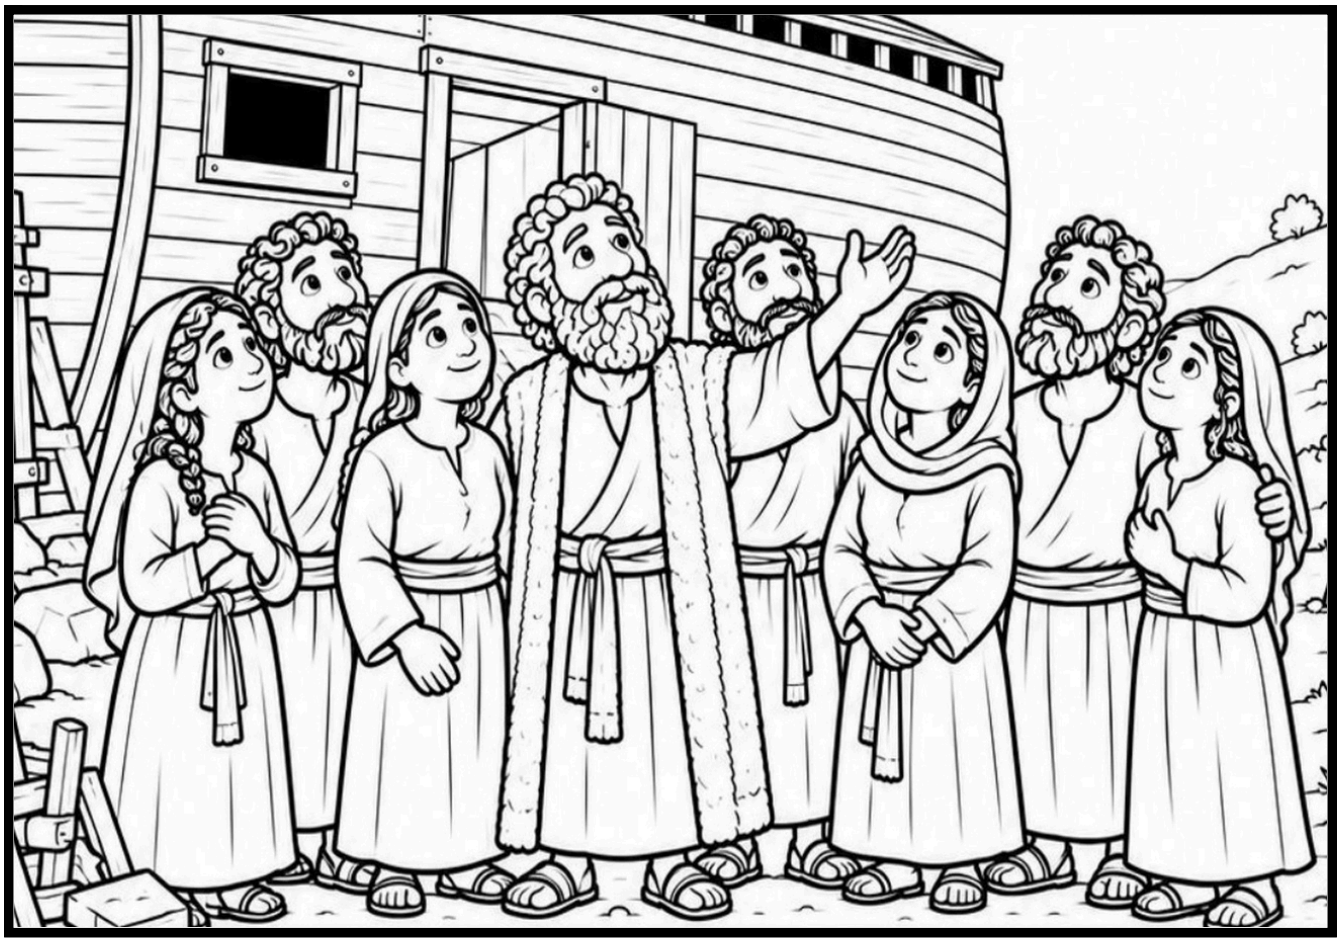

Trei niveluri și multe încăperi

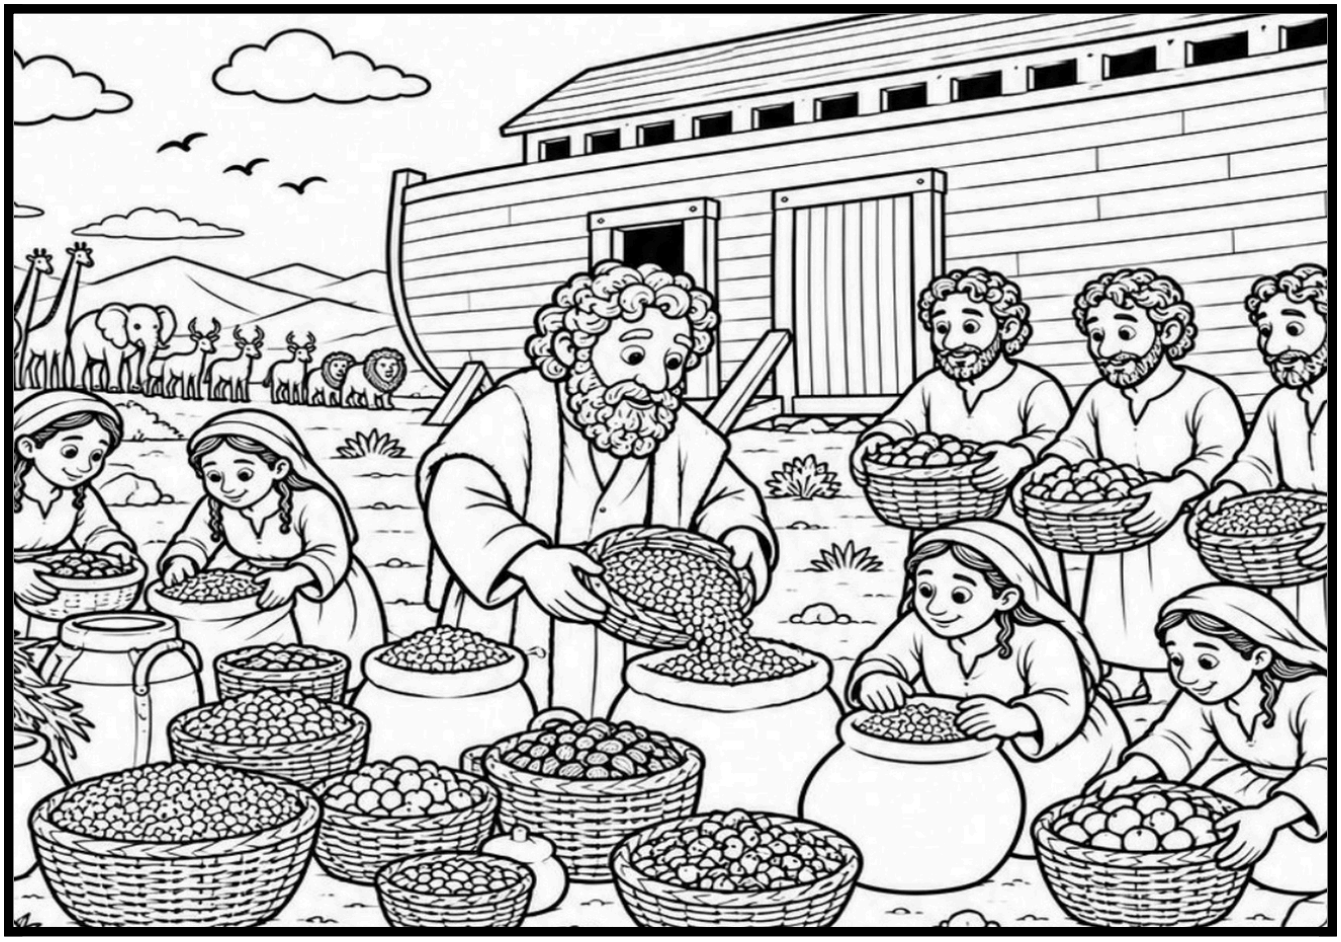

O ușă și o fereastră

Dumnezeu a făcut un legământ

Animale și hrană

Noe a făcut tot ce i-a poruncit Dumnezeu
